Since we have many new to team who do not have a show or competition leo we will be asking them to order a \$20 Expo T-shirt. This is so they look like they are a part of the team. The shirt material will be stretchier and more fitting for the purpose of safety.

Current Competition Team kids would wear their uniforms. Parents or team kids are welcome to purchase a shirt if you desire.

We are planning on everyone to participate unless we hear otherwise. It was a GREAT event
