Gymnastics Divine

“Building Confidence, Character and Mental Discipline”

Welcome to our program, where teamwork is expected by ALL. We are very excited to have you and your child as part of the program! As a part of the team, we expect everyone to be responsible, respectful team players. (That goes for the kids too) We promise to bring an organized, positive, character building and mentally disciplined attitude to all our classes. Yes, together we can make a great team and provide a great experience for all our children. Gymnastics Divine has a rich history in building confidence, character and mental discipline that you will not find elsewhere. This is not just a catchy tag line, it's what we do and have done for many years. Please help us by reinforcing the life skills that we teach at home. We are excited to announce this year the kids will be receiving a personal folder with a variety of material to help build their Confidence, Character & become a Mental Warrior. We have taught the Mental Warrior across the Midwest at clinics and seminars and know you will appreciate and be a big part of our efforts! ☺

BAND Communication App Required

Each family is required to have at least one parent on the BAND! It will be used for announcements and reminders. If you have not received an invitation to join the band you will. The band also has a private chat option on it for questions and communications. I will post reminders when payments are due or you may get a private chat reminder from the office ladies reminding your past due. It's a WONDERFUL tool to have ☺

(you know the spot where the police car likes to sit)

-Drop off students no earlier than 10 minutes before class time and be prompt when picked up

-Classes have been spaced with a 15 min window for less congestion and easier access

-Students should bring their own water bottle
