

M&M Annual Spring Show 2019!

"Flipping through decades"

Calling all M & M Gymnasts! It is that time of year where we love to show off to our family & friends all of the progress we have made in our classes over the last year. We are excited to be hosting our event right in our backyard at **New Berlin West High School's field house!** We expect the show to last about 1 1/2 hours and we promise it to be an exciting and family friendly, entertaining show! To make sure everyone has a great show we have divided our participants into two shows. Most kids will participate in one show, however a few of the classes or teams may be asked to participate in both shows. Your attached sheet has your assigned show. Please return your spring show outfit order form to the office by **Monday, February 25th!**

Important Dates:
