For competition students that are in multiple teams and participating in multiple classes, if your term fees exceed $300 they will be capped at $300 and this will be referenced as "Cheer Fee Cap $300" on your invoice. When calculating your term fees to determine if you are eligible for the cap, it is only inclusive of the classes marked with an asterisk above.

Payment will need to be made by Week 2 of each term at the latest to benefit from the cap discount, no exceptions. If you meet the cap and are unable to make the payment by week two, please speak to Mel and fill out a payment arrangement form which will be your fees paid in ten weekly instalments.

Full term fees must be paid in full in the first 2 weeks of term for all new and existing members (new members pay pro-rata for the remainder of term on their second visit) Failure to do so will result in additional account keeping fees and your child will not be able to attend cheerleading until all outstanding fees are paid.

Outstanding accounts in excess of 30 days past invoice date will incur a $10 late fee.

All accounts will be emailed to you and outstanding invoices handed out in class. Accounts can be paid in the entrance to the theatre in the first fifteen minutes of your child's class.
