What is a FULL Competitive Rebel All-star Team?

Full Competitive teams are for ages 7 to 18 as of August 31, 2018. They compete both locally and away (travel 3 to 4 times per season). Teams are based on the USASF age and level brackets. These athletes are evaluated on stunting ability, standing and running tumbling ability, jumps, motions, coach-ability & attitude. We have a high expectation for these athletes and they are trained as athletes with conditioning, skill training and "do your best every time" style of coaching.
