

## STARLITZ XPRESS CHEER

### **POLICIES AND PROCEDURES BEHAVIOR/COMMUNICATION:**

\_\_\_\_\_ Parents are asked to serve as role models for their athletes and their teammates. We expect parents to remain respectful at all times towards coaches, staff, team reps, athletes, fellow parents, judges, officials and spectators. I understand disrespectful or inappropriate behavior by myself and/or my athlete is grounds for suspension or dismissal.

\_\_\_\_\_ We expect parents with concerns to contact the appropriate Starlitz representative rather than voice their concerns in a negative way to other parents.

\_\_\_\_\_ Parents are expected to check emails, Group messages, and the Parent and Team Facebook pages regularly, as essential information will be continuously updated on these sites.

### **PRACTICES/TEAM EVENTS/COMPETITIONS:**

\_\_\_\_\_ Cheerleaders are expected to attend all practices, competitions and team events on time and in appropriate attire. Parents must email your athletes coach if your athlete will not be at a practice, or team event. If an athlete misses an excessive amount of practices or team events the athlete may be replaced or involvement in the routine may be adjusted. Please help your athlete understand the commitment they have made to their team.

\_\_\_\_\_ Practices the two weeks leading up to competition are mandatory. It is left to the coach's & directors' discretion to replace athletes that do not show up for practice the 2 weeks prior to competition, regardless of the situation.

\_\_\_\_\_ Due to competitions, holidays, and gym closings; there will be some missed practices. In general, Starlitz Xpress Cheer does not have the space or coaches available to allow for make-up practices. However, we will try to accommodate additional practice time when possible. Tuition covers a season's worth of training with competitions, gym closings and holidays in mind. Just like college, your tuition pays for your spot **REGARDLESS OF ATTENDANCE**

\_\_\_\_\_ I understand that practices and/or competitions and/or team events may be changed and/or added at any point throughout the season, and I agree to have my athlete in attendance.

\_\_\_\_\_ If your athlete is sick or has an injury, he or she is still expected to attend team practice based off severity. Even if your athlete is absent he or she is responsible for any changes or adjustments made to the routine.
