CheerSport Wales Cheer Divisions

All teams entering Cheer divisions require a minimum of 6 members. Routines should be a maximum of 2.30 minutes for Cheer. Cheer Divisions are split by age, and by level. When only one team falls into a division, consideration will be given to combining divisions. Before this is done, all parties concerned will be contacted to seek their opinion. Score Sheets for cheer divisions are available on our website from September – www.cheersport-wales.com. Routines will be performed on a 9 panel sprung floor.

CheerSport Wales Dance Divisions

All teams entering Dance divisions require a minimum of 4 members. Routines should be a minimum of 1.45 minutes and a maximum of 2.15 minutes. Dance Divisions are split by age, and by dance style. Score Sheets for dance divisions are available on our website from September – www.cheersport-wales.com

Dance divisions will be available in the following styles.

Jazz

A jazz routine incorporates stylised dance movements and combinations, formation changes, group work, leaps and turns. Emphasis is placed on proper technical execution, extension, control, body placement and team uniformity.

Pom

Poms must be used in at least 80% of the routine. Important characteristics of a pom routine include synchronisation and visual effect, clean and precise motions and strong pom technique. Visual effects include level changes, group work, formation changes, the use of different colour poms etc. Emphasis is placed on proper technical execution, extension, control, body placement and team uniformity.

Hip hop

Routines emphasis the various styles of hip hop dance; this can include (but not limited to) R&B pop, popping, locking, breaking, etc. Movements should have an emphasis on execution, style, creativity, body isolations, rhythm, and musical interpretation. Teams may also put an additional

focus on athletic incorporations such as jumps, jump variations, combo jumps and other tricks.

Contemporary / Lyrical

A contemporary or Lyrical routine uses organic, expressive, pedestrian and or traditional modern and/or baller vocabulary as it complements the lyric, mood and or rhythmic value of the music. Emphasis is placed on control, expressive movement, dynamics, alignment, use of breath, uniformity, communication and may incorporate purposeful elements and skills.

Kick

A kick routine emphasises control, height uniformity, extension, toe points, timing and creativity of a variety of kick series and patterns. A kick is defined as one foot remaining on the floor while the other footlights with force. Kicks should be performed throughout the routine. Inadequate utilisation of kicks may also affect the panel judges overall impression and /or score of the routine.

Group Stunt

Please indicate age and level, all girl and coed split being the same as for teams. Please note an individual can only compete as part of a group stunt if also registered for a team division. **Each club can enter one group stunt in each age group. Spaces for Group Stunt are limited and will be allocated based on entry date. Awards for Group Stunt will be first place banner and medals for all places.**

Solo's and Duos

Solo's and duos will be available in both Cheer & Dance divisions.

Each programme can enter 1.5 solos/duos for each team you enter. So 1 team = 1 solo, 2 team = 3 solos, 3 teams = 4 solos, 4 teams = 6 solos, and so on. An athlete would need to be entering a team division to enter a solo/duo. Awards for solos will be medals for all places.
