

Bright Stars Summer Camp LIT Program

This summer, Bright Stars will be providing a unique opportunity to a select few in joining our Leaders in Training (LIT) program! While still being a part of the fun, LITs will have responsibilities that other campers do not. They will come in for a half day of camp from 8:30AM-1:00PM, in addition to attending a weekly leadership workshop. The workshops will focus on a variety of different leadership skills that will help students academically, socially, and with future employment. LITs will learn to work with children ages 3-12 alongside our experienced summer camp staff. We are looking for a handful of outgoing, responsible, and reliable students ages 13-15 this summer. As part of this program, LITs will have the opportunity to volunteer in our annual Alex's Lemonade Stand fundraiser in August, which looks great on college applications and resumes!

Dates: July 2nd to August 24th – last week optional (Aug. 27-31)
Application Deadline: June 10th – LITs will be selected by June 17th
Cost: \$25 per week

Goals

- Provide Leaders in Training an opportunity to improve their skills in becoming an active leader and effective employee
- Teach useful communication methods between authority figures and young children
- Hold weekly workshops that go over different aspects of leadership, and how they can be applied at camp and beyond
- Prepare LITs to become camp counselors for future summer camps

Schedule

- LITs will come in 2-3 days per week on a consistent schedule
- Weekly leadership workshop (appx. 90 minutes each) at 1PM each Thursday
