

EARN FREE \$\$\$\$

January is **DOUBLE REFERRAL** Month!
Earn \$40 for each family you refer to Bright Stars*!

Bright Stars Academy is proud to offer a Referral Reward Program to our loyal families!

Our greatest compliment is when current members refer us to friends and families and we would like to show our appreciation!

*HOW THE PROGRAM WORKS...

1. You tell all your friends and family about Bright Stars Academy
2. One (or more) of your friends or family members decides to try out our program. When they enroll in a weekly class at full tuition for at least one pay period, all they need to do is include your name on their membership form!
3. If that person is a new student and they join for at least one (1) full pay period, you get \$40 credit to your Bright Stars account!! It's THAT easy!! Earn \$40 off your next pay period PER REFERRAL. There are no limits on the amount of referral credits you may earn so you could very well refer enough families to actually earn FREE tuition for your child!

It's a **GREAT WAY** to save money for yourself -
and to help us expand Bright Stars Academy!!
