*Our certified lifeguard and camp instructors oversee our Summer Camp open swim. Our youngest swimmers wear swim safety backpacks to ensure their safety and comfort in the water. Older swimmers are given the opportunity to pass a swim test to swim in the deep end. We offer a splash deck area for any child that does not feel comfortable going in the pool so they can still participate in water play activities.

STAFF

Our highly-trained, certified and qualified staff, who are all experienced in working with children, are dedicated to providing a positive atmosphere for children of all ages & abilities. Our goal is to provide a structured environment which allows each individual camper an opportunity to grow and develop socially, physically and emotionally.
