

Achievers
“A Star Is Born”
FALL CLASS SHOWCASE
November 10th, 2018

Dear Parents,

Your child has been invited to participate in our class gymnastics/cheer showcase. The showcase is designed for all our recreational and pre-team students. This is a low-pressure performance event in which we feature skill performance, fun, sportsmanship, and everyone wins awards! This event is an excellent way for our students to be introduced to the “performance” side of their gymnastics/cheer activities.

What is a “Showcase”?

A showcase is our version of a recital or fall performance. We decorate the gym, have special performances, and invite you and your guests into the gym to see what your child has learned at Achievers! It is very exciting, FUN, and each child has a GREAT time!

Is it competitive?

NO!!!! We encourage each child to learn and perform routines for performance, but a coach is by their side during the entire event to offer support, encouragement and spot if needed. There are no scores and each child gets an award and is recognized for their participation at the end.

Routines – The children will be working on putting skills together in a routine on all the events during their classes. You will see many different variations of routines based upon the skill levels of the children. Because we want your child to do well, he/she may even want to practice his/her routines at home. Please use this time to *encourage and praise* your child’s efforts.

Optional – This showcase is offered to all our gymnastics and cheer students (ages 3 and up) if they want to participate in our class showcase. Participation is NOT required, but highly suggested. We believe your children will enjoy every moment of this special event!
