Helpful Tips

Carry Change for Tolls

Don't pay for parking at parks if you have time: Go and park at All-Star or any other resort.... hop on a shuttle there

Leave the parks 1 hr prior to any meeting times/Pep Rallies
Blaze and Odyssey please leave parks 3 hrs prior to meet time

BEFORE competition – please be aware – that we are going to Florida to COMPETE first. We ask ALL families to keep your athlete well hydrated, OUT of the sun exposure for long periods of time. The sun down there is more intense than we are used to as well – most of these kids have not been in the sun for several months – Sunburns will be VERY bad in our uniform. Please make sure to apply ample sunscreen OFTEN. The sun also has a draining affect on the human body. So our later teams performing will need to ensure that you are not exposed to long lines at the park – excessive sun – ect.. Just be aware so that your athlete can take breaks and naps during the day on Saturday and Sunday. Once competition is over – you are free to do whatever you like (please stay safe)

What are our athletes' allowed to do on Saturday and Sunday (the days of competition)? We would like all athletes to minimize the exhaustion of the parks/swimming, so we are limiting Saturday and Sunday for parks. We do not want to have an incident like we have in the past (athlete skipping competition). Coaches have set up some great team lunches to help prepare the athletes for Saturday. Park time will be limited to what times we have available.

Competition is at Wide World of Sports and it is litterally 10 min down the road from the hotel...but ...plan to walk once you park...a lot!

Rendezvous will be established once we get there first day...the arena is new this year so go with the flow and watch your group me's

Athletic Gear is team T-shirt & Cheer Shoes- DONE (well...not only team T-shirt dear lord)
Shorts, leggings, jeans

Don't be late, don't miss a meeting time or rendezvous...coaches ill take attendance. Please don't force us to take action for non-compliance...Thanks

Lets have an easy going, drama free, exciting and productive UCA weekend
