

## Team Mentors 2018-2019

So you want to be a Team Mentor, now What? The following information will get you started! Generally speaking, the Team Mentor's duties and responsibilities are to communicate information out to your teams, coordinate team bondings and CARES Project. Team Mentors are required to be a parent with at least 2 years of being on team.

- Team Mentor Meeting - Attend the Team Mentor meeting and receive information on the new season to communicate to your team. Fundraisers, Bondings, CARES Projects, General Information.
  - Attend Booster Club open meetings to learn more about upcoming fundraisers and gym wide events. (not all meetings are required, but please make an effort to attend these monthly meetings)
- Roster - You will receive a roster of your team, please verify with parents/athletes that contact information is correct for TeamApp and that all parents are receiving gym emails.
- TeamApp - A TeamApp will be established for your team by Tiffani. Please make sure that all of your parents accept the invite to your team. TeamApp is to be for gym communications ONLY, please keep all side bar conversations between individuals.
- CARES Project - Elite Cheer will choose a NonProfit(s) to partner with for the year in which we will assist that organization(s) with needs that they have to be successful.
- Team Pictures/Videos - Assist in collecting videos and pictures for yearbook and Banquet video.
- Team Goodie Bags - these are not required, but the athletes love getting them prior to a competition. They can be very simple and just include some snacks and drinks to get them through the day. Donations to these can be asked of from team parents, but please be aware that not all families can contribute financially.
- Team Bondings - There are a ton of places to have team bondings, get creative and have some fun with these events. They are a great opportunity for parents, athletes and coaches to get to know each other. We would like to see each team do at least 2 team bondings during the season. Team Bondings at travel competitions are also highly suggested. Please keep costs to a minimum as some families may not be able to financially afford certain events.

Monday, May 14, 2018
