**Gate information:** Each athlete is limited to two spectators.

Children: \$10

### **COVID Safety Procedures:**

We are aware that many counties in Texas are lifting the requirement of masks. Due to the proximity of the championship meets, we are going to stick with the policies listed on our final schedule. All the athletes have put in a tremendous amount of time and effort into their season and we want them to be allowed to finish their season without interruption from illness.

**COVID Guidelines for spectators.** To keep the athletes and their families safe for the remainder of the season we are asking that each family do their part to help protect those around them. Please do this by:

- Limiting spectators to two per athlete.
- Wearing a Face Mask at all times.
- Following Social distancing guidelines.
- Staying off the competition floor.

### **COVID Guidelines for athletes.**

- Once open stretch has begun the athletes may remove their mask. However, we encourage every athlete to wear a mask as much as possible.
- Once the last competitor has finished competing ALL athletes will be required to wear a mask for the remainder of the time they are in the building. This includes while they are on the awards stands.

### **COVID Guidelines for coaches/officials/meet directors.**

- All coaches/officials/meet directors will be required to wear a mask while in the facility.

**Concessions-** There will be no concessions onsite but there will be a few vending machines available to purchase water and snacks from. I would make sure you purchase drinks ahead of time.

**Scoring-** Scoring will be available on Meetscoresonline.com. Occasionally the scores don't update as quickly as we would like but we will be doing our best to make sure you have the information you need to have an enjoyable event.

Thank you all for attending the Lone Star Invitational this year! We hope to see you all in 2022 with zero masks and social distancing.
