

E.O.D TEAM PRACTICE ABSENCE

I'm requesting approval for my child to miss team practice. I understand missing team practice devastates the team's ability to effectively practice that day and may result in rearrangement of my child's position in the routine, if that benefits the team as a whole.

EXCUSED ABCENCES: Funeral, death in family, wedding of a family member, own school formal, vomiting, highly contagious illness, HSC exams, school event that effects grade & holidays (must be submitted in January/February)

NON EXCUSED ABCENCES: Home work, birthdays, dinners, too tired, self inflicted illness, friends/family members school formals/photos, school event that does not effect grade & Head ache.

This form does not cancel Private Lessons. You must cancel privates with your private lesson coach.
