Thank you for your support throughout the years. We have always enjoyed teaching the cheerleaders and working with the families and friends who support them.

The purpose of this letter is to let you know that Cheer Rex All Stars will be ending practices on March 31st, 2017 and will wrap up business with the final competition and banquet in April for the 2016-2017 Season.

After deep consideration, we have decided that closing our All Star Cheerleading program will allow us to spend more time with our families. In the upcoming years we will determine if, or when, it makes sense to re-start an All Star program.

Please let us know if we can answer any questions or provide any assistance as you transition to other All Star Cheerleading Gyms, School Cheerleading, or other endeavors.

The coaches will continue to be available for private lessons going forward.

Our company website, email addresses, and Facebook pages will remain active for now, so you can continue to keep in touch.
