

Getting Started!

Free Trial

- Call Victory Cheer to set up a Free Trial class

Register for all Classes

- You must use [iClasspro](#) to register, add, and drop all courses.
- To access [iClasspro](#) you must first go to www.GoVictoryCheer.com.
- Once at the VICTORY home page you will scroll down till you see **CREATE AN ACCOUNT**.
- Please fill out all the necessary boxes with all information needed to create an account.
- Once all fields are filled out you will click **CREATE ACCOUNT**
- Before any other access to your account you will need to check the boxes that you agree to VICTORY'S policies and procedure's, liability waiver, and billing authorization.
- Create your athlete's student account, birthdate will be addressed DD/MM/YEAR.
- Once completed you will click **SAVE STUDENT**.
- Once your athlete has been added you will then click **ENROLL IN CLASSES** to sign up for all courses.
- Please pick the appropriate classes and level that is best for your athlete.
- Then click **SUBMIT REQUEST** on the appropriate day, time and level of the class, this will also be done the same to add another class on a separate day.
- Under ENROLLMENT TYPE please select if you are attending the class as a TRIAL, MAKEUP, or ACTIVE student.
- Please select a START DATE.
- The DROP DATE IS OPTIONAL.
- If you would like us to know anything else, please write any information down in the given box.
- Once all fields are completed you will click **CONTINUE ENROLLMENT**.
- Again please double check the time of the class, and the day of the class.
- Add the class to the cart and VICTORY will take care of the rest and approve your request.

PAYMENT

- In the Ledger on the left side of the page you will click under **MANAGE PAYMENT OPTION**.
- Please fill out necessary fields of your payment options for all transactions.
- Once completed **SUBMIT**.

DROP CLASS(ES)

- Go into **ENROLLMENTS**.
- Click the class you would like to drop
- Under **DROP DATE** you will select the date you want to not attend the class for.
- Click **Submit** and it is completed.
