

Northshore Location

Congratulations to all our Spirit Xplosion Team members!!!

Everyone has made a program. If you do not see your name, contact Bill at wjyeates@spiritprofessionals.com

The teams are listed below but we wanted to give a brief explanation of how teams are formed. Many kids and parents think because they have some higher-level tumbling skills they should be on a higher-level team. Unfortunately, this can lead to unnecessary disappointment. We would just like to encourage everyone to enjoy the team, the sport, and program regardless of the level. The pie charts below give a good description of what is required as far as skills. Please also understand that All Star judges are looking for the cleanest skills possible according to each level. If you haven't mastered it, the score will reflect it. Members are placed on a particular level team based on having a vast majority of the skills **mastered** at that level, regardless of having some skills at the next highest level. For example, a strong level 1 team has a chance of winning, whereas a weak level 2 team does not. Age and division restrictions can also be factors. We consider all variables and place members based on having the best chance of having a fun and successful year!

Scoresheet Myth:

Steps to follow after team placement evaluations.

Please read carefully to help with a smooth process!

Step 1- Team RevealsWe will post on our website by Friday, May 25th at 5pm the results of team placements. Please do not call in advance asking what team you are on. Once the teams are revealed, determine if you can join the team based on practice times and camp times provided.

Step 2-Be happy and have fun!!! Congratulations!

Step 3: Account info. Visit our website at spiritprofessionals.com:

New Members-If you have never taken a class, been a cheerleader or registered for an event online at Spirit Professionals, you will need to create an account in our roll management system. Go to our website home page and click on "Create Account", and enter your info and team member info. Please also upload a picture of your child.

Returning Members- go to our website and login and verify all your info is correct. If you have never logged-in via the Spirit Professionals website, go to the website and click on "Parent Login" then "forgot password". You will then be sent a password to login via the e-mail we have on file for you. Please also upload a picture of your child.

Step 4-Practice wear fitting sign-up

Practice wear fittings will be Wednesday, May 30th in Hammond, and Thursday, May 31st at the Northshore location. You can attend either location. If you miss this date, there will be a second fitting date in **late June or July**.

You will need to sign-up and select a time for your fitting at the link below. Fittings will start at 4pm. If you show up with out being signed-up you will be at the back of the line and may have to wait for an extended period.

Step 5-Contract signing/form turn-in

Right after you finish your practice wear fitting, you will proceed to contract signing and form turn-in. If you miss the fitting dates/contract signing dates you will need to e-mail wjyeates@spiritprofessionals.com and set an appointment to sign your contract. Signed contracts and forms must be turned in before you can begin practice. Please have forms completed when you show up.

Things to turn-in:

- Copy of your members birth certificate if you are new to the program.
- Contract – complete personal info on top of the contract and the banking or credit card info on the bottom portion. Everyone must have a contract with banking or credit card info on file even if you are paying in full. We will fill in the team fee amounts at the signing.
- signed medical release waiver
- signed appearance clause
- initialed and signed form stating you understand the program hand book and terms.

Level 4 Training Group: \$40 per month

Practice Time- Starting Week of August 20- Sundays-2:00-300pm(we are working on a summer practice schedule)

This is a group that will work towards gaining and perfecting level 4 tumbling, stunting, & choreography skills for (hopefully) future advanced teams. This is completely optional. If someone feels that they have been left off this list and would like to be considered, please let Marcus or Nicky know. Specific details to come, but looks like we will meet once per week for an hour. We have used this type of training group in the past for level 3 and found that it helps prepare the athletes.
