

Information regarding the 2018-2019 Season

After 3 weeks of evaluations we could not be more excited about Season 5 of Top Gun Orlando! We feel strongly that we have created 15 great teams for the upcoming 2018-2019 season. We are so proud and appreciative of all our returning athletes and families for their hard work, dedication & commitment to our program as well as thankful to all of our newest additions for allowing us the opportunity to show you what it means to be a part of the Top Gun Family.

MANDATORY PARENT MEETINGS

Mandatory Meetings will be held next week for all new and returning families. **Due to limited space, we would prefer that athletes not attend the meetings.**

Please hold all questions until the meetings as they are likely to be answered in our presentation and our all star staff will be pre-occupied all week long participating in training and certifications in order to give our athletes their best!

Meetings will take place at the :

The Stoneybrook West Country Club

PRELIMINARY TEAM PLACEMENTS

As we begin the new year- we ask that you place trust in our process, our coaches and our program. We truly believe that each athlete was placed on the correct team. Placements are not just about tumbling, flying or any one element in a routine. It is about your child as part of a TEAM and what is needed to be successful. It is our job as coaches to make sure your child will grow, flourish and succeed on the best team possible. With that said, we will be using the first few weeks of practices to re-evaluate everyone's placements and make adjustments if necessary based on attendance, attitude, technique and consistency of skills in addition to the overall tumbling AND stunting needs of each team. Please note that placements are ALWAYS subject to change throughout the season. All athletes with injuries during the tryout process will be re-evaluated once completely cleared. Team placement may change upon further evaluation.

PRACTICES

Your first practice will be on May 23rd or 24th depending on your teams practice days. You will only practice one day for the next 2 weeks. All regular practices will start the week of June 4th. Just like last year, team coaches will be announced at the first practice!
