

Lake Erie Gymnastics Covid-19 Protocols

The health and safety of our athletes and their families is our top priority. We have implemented new protocols to minimize the risk of possible exposure to the Coronavirus. Our strategy includes, but not limited to:

- Disinfecting and sanitation of the facility will take place at the end of each class and day.
- Extra hand sanitation stations have been added throughout the gym.
- Social distancing measures (X marks the spot) have been put in place throughout the gym.
- All of our employees have been trained prior to opening on all COVID-19 protocols. They will be doing daily symptom checks and have been instructed take their temperatures before coming to the gym.
- All staff will be wearing face masks.

What we are asking of you as our valued members:

- Please do NOT allow your child to come to class if they or anyone in their household are experiencing any symptoms of COVID-19 or any other illness.
- Your child will need to bring a labeled water bottle to class. The drinking fountains will be closed until further notice.
- Your child will need to bring a bag to keep their personal belongings in during class ie. shoes, coat, extra leo, hair ties. Please only bring what is necessary.
- Upon arriving a staff member will greet your child at the door and help them with the new arrival protocol.
 - **ARRIVAL PROTOCOL:**
 1. Temperature check before entry. ****If your child's temperature is over 99.9 they will not be permitted to enter the facility.***
 2. Sanitize their hands immediately.
 3. Walk to yellow line and remove shoes and place in their bag.

4. They will be escorted to the locker room where they will drop off their bag and wash their hands.
 5. They will then go into the gym and find their "X".
- If you arrive more than 5 minutes prior to your class we ask that you wait in your car until a coach comes to the sidewalk.
 - Due to the social distancing guideline we encourage you to remain outside the facility during your child's class.
 - Roly Poly and Tiny Tumbler will only be allowed 1 parent/guardian per child
 - Due to government mandate Roly Poly and Tiny Tumbler parent/guardian must wear a mask during class time.
 - Please speak with your child about the importance of keeping a 6-foot distance from other classmates and following the gym's new protocols.
 - Upon dismissal from class a coach will assist your child with the dismissal protocol and escort your gymnast back to sidewalk for your pick-up. You must pick your child up at the sidewalk, we will not allow preschool or rec gymnasts to go into the parking lot without a parent/guardian.
- **DISMISSAL PROTOCOL:**
 1. They will wash their hands and pick up their belongings from the locker room
 2. They will put their shoes back on at the yellow line
 3. They will sanitize their hands prior to leaving the facility
 4. They will meet you on the sidewalk

We greatly appreciate your cooperation and assistance as we re-open and begin our new "normal"!
