WUC reserves the right to cancel classes due to low enrollment

What will my camper learn?

WUC's weekly cheer camps are perfect for those parents who work, or who would like to give their athletes a "summer camp" feel! Athletes will be grouped by age and skill level. Both new and experienced athletes will be focusing on cheer components, which include jumps, motions, dance, stunting, and tumbling. For our younger campers we also add in crafts and snack time. For our more experienced athletes they will be pushed to acquire new skills for the season and cleaning technic.

No experience is necessary to attend our camps. Our trained instructors will group campers based on ability to ensure everyone is learning skills

Full Day Camps

Please send a water bottle, lunch and snacks. Campers will get a pizza lunch on Thursday. A note will go home to all day camp participants on the first day detailing the week's activities. Some days will include water and outdoor games and activities. Times for Full Day Camps are 9-4

Half Day Camps

Please send a water bottle, and snacks. A note will go home to all day camp participants on the first day detailing the week's activities. Some days will include water and outdoor games and activities. Times for Half day you may choose 9-12 or 1-4

If you are unsure of what tumbling level your athlete may be please look below for the tumbling level chart.
