Our tryouts are not stressful! We encourage participants to re-do their skills if they are not 100% satisfied with their tryouts. Once we have evaluated all of the applicants, we begin to assemble rosters and teams. The selection of teams is a very tedious and often complicated process. Many key elements are considered in our decisions. We must choose a well-rounded variety of individuals for each team.

## **TEAM PLACEMENT**

We will post all tentative team placements by athletes' tryout number on our website [www.cheereclipse.com](http://www.cheereclipse.com) on **Saturday, May 19 in the afternoon.**

**\*We will begin working with our preliminary teams starting May 20th** ... Please expect possible change and movement throughout the summer months. As we get to know the kids and see teams work together, we will make any changes necessary to create strong, cohesive teams. Please note that Cheer Eclipse's goal is to "max out" the score sheet. Students must have competition ready skills before moving to the next level. Students may be working on new skills, but we will not put a student on a team that does not have the skill at tryouts. If students MASTER skills and improve during the preliminary team placement period (well before team choreography), they may have the opportunity to move to the next level.

To be competitive, our teams must have clean, well developed skills at each level. Winning a National Title is an incredible experience no matter what the age group or division. Thank you in advance for supporting all of our teams. Team placement is not always permanent. Coaches may make changes to team placement depending on the needs of the team.

### **What to expect at practices during the month of May**

Girls - Please wear shorts and a sports bra, tennis shoes and have your hair completely up with hair bow in. No jewelry. Guys – Please wear shorts and T-shirt, tennis shoes. Bring your smiles and plan to have fun. Athletes will be training with CE coaching staff. This is an exciting time as many athletes really step up their skills in anticipation for try outs!

### **What to expect at Tryouts**

Athletes will have an opportunity to show us their best running tumbling pass, standing tumbling skills & a jump combination with standing tumbling attached. Each athlete will also perform a dance. This material will have been taught to them during the tryout practice. They will be given plenty of time to learn it, and time to practice before they perform. Don't stress, it will be fun! This process is to show us each athletes tumbling conditioning & technique, sharpness in motion technique, timing and showmanship.

### **Does everyone make a team?**

We have a Tiny Novice Level 1 Team and All Star Cheer Elite Levels 1- 5 All Star teams at Cheer Eclipse. If your child has the required skills, we will find a place for them on a team.

### **Summer Absence Policy**

We use the summer to get ahead of our competition. Many students get stronger and advance their skills during the summer months. Practices are mandatory, BUT...of course we want each family to enjoy their vacation time. Please turn in vacation & camp dates at the front desk as soon as you have the information. Students are allowed up to **5 team practices for absences for family vacations/camps during May 20 - September 3, 2018** . Please plan accordingly. Alternates must follow all rules, requirements and guidelines. Additional absences will jeopardize an athlete's placement on their respective teams. We will be firming up choreography camp dates as soon as we select teams. Choreography Camps will be in the month of July with the exception of Sr. Level 4 & Sr. Level 5, those two teams will remain in early August. Dance Choreography Camps will be held early in the fall and we will have dates secured before Tryouts Begin. **THESE ARE MANDATORY!**

Many other programs in our area allow students to miss practices without accountability or regard for the ones that do show up. We are able to keep extra practices to a minimum because our practices are productive.

### **Attendance**

All practices are mandatory!!! Please remember, that unlike many sports cheerleading does not have a bench to pull from. Your athlete's absence results in sacrificing your team's practices. Without one person, an entire stunt group is unable to participate. Likewise, your athlete's desire to quit a team also results in the entire teams performance. **\*Absence Request Forms must be filled out and turned in to the office in advance for scheduled absences. You will find the form on our website in the CE Members Area and at the gym front counter.**

### NOTIFICATION SYSTEM

We at Cheer Eclipse feel that communication between the staff, parents, and athletes is very important in maintaining a great relationship. We will do our best to keep you informed in a timely manner. Information that is important to your athlete may be found at the front desk or on our website at [www.cheereclipse.com](http://www.cheereclipse.com).

**\*Absence Request Forms must be filled out and turned in to the office in advance for scheduled absences. You will find the form on our website in the CE Members Area and at the gym front counter.**

We want to hear from you. We understand that it is not always easy to contact Coaches & Directors before, during or after practice. In order to maintain an open line of communication, we will give you many avenues to contact us with your concerns and suggestions. An excellent way to communicate with Sue Brummer, All Star Director is via email [sbrummercheer@cheereclipse.com](mailto:sbrummercheer@cheereclipse.com). **Please keep in mind, right before, during and after practice are not the times to communicate.** The gym gets very hectic in the evenings with classes and team practices. Please, when at all possible; contact the office between office hours 3:30-5:00 p.m. or via email, before normal classes/practices begin. You may also write down any concerns or suggestions and drop them in the payment drop box.

Loyalty to Cheer Eclipse is what will continue to make us great. Our staff is loyal both to the athletes and to the cause. In return, we see a dedication from our parents also. Our support in the past sixteen years has been phenomenal. It is evident in all that we do. Loyalty is just one factor that helps us achieve our goals. If at any time you feel that your loyalty to our company & program diminishes for any reason, please come to Sue Brummer, before you go to other parents or those outside of Cheer Eclipse. This can lead to false information being circulated and does not represent Cheer Eclipse in the manner that we would like.

**UNITED TOGETHER!**

## **Cheer Eclipse Rules and Regulations**

Any member may be reviewed for any infractions of these rules

### **Rules and regulations**

1. Challenging the authority of the coach or person in charge, by student or parent, may be automatic dismissal from the team.
2. Each member will follow all rules and guidelines given by the coach or person in charge.
3. A member must at all time be a strong representative of Cheer Eclipse and a positive reflection of his/her teammates. Abusive behavior, lying, and or any other form of negative behavior are grounds for removal from this team. We will not tolerate comments about other teams and their programs. Let's respect their teams, as we will get respect in return. Many of you communicate with other cheerleaders at various organizations through social media & texts. Please remember that anything you ever say is a direct reflection on this organization. **NOTE:** *If you are caught sending rude or inappropriate messages you will be subject to immediate removal! In addition, you CANNOT use the CHEER ECLIPSE name or any variation of our name in your E-mail address or social media name/address. If you currently have our name in any portion of your e-mail address, it must be changed!*
4. All **CELL PHONES** should be turned **OFF** or the ringer placed on **SILENT** during practice times. This includes parent cell phones. Athletes are not to check or use their cell phones until after practice unless they have permission from a coach.
5. **There is to be NO videotaping of practices, classes, private training sessions or open gyms.**
6. Please do not bring your family PETS to practices at the gym! Service animals are allowed.
7. **There is to be NO excessively long fingernails or Acrylic nails.** Practice clothing must be worn as scheduled. Lost, misplaced or damaged clothing will be replaced at your expense. Anyone late or dressed incorrectly will jump or condition after practice. Once again, our program is about building champions and teaching responsibility to our athletes.

### **ABSENCE POLICY**

The only excused absence during the school year is a school function that results in a grade, immediate family members wedding or funeral. All other absences are unexcused. Part-time jobs, dances, concerts, banquets, long distance driving, family reunions, recitals, school/church socials, and any other non related school activities are unexcused. **Absences are NOT allowed the weekend and week prior to a National competition.** An unexcused absence may result in the athlete being moved to an alternate position or pulled from an upcoming performance at the discretion of the staff. It is the responsibility of the athlete to learn any changes prior to practices. Alternates must follow all requirements and guidelines. An Absence Request Form must be submitted 2 weeks prior to the absence. **DO NOT** email or fax absence request forms. Your school activities are planned well in advance. Please submit your request in advance. A completed form does not automatically excuse the absence. Absences must be approved. **Please attach documentation from a teacher or instructor.**

## **ILLNESS POLICY**

You must attend practice when you are ill. You will not be required to participate; however, you must be present. An athlete will jeopardize their position if this rule is not followed. In addition, you must provide a doctor note with detailed information regarding the illness, treatment and length of recovery. This includes dental, medical and any other health related issue that would prohibit a student from participating

### **Leadership**

1. Each member must be aware that no person has a right to be on a Cheer Eclipse team. It is a privilege.
2. Each member and parent must be aware of the responsibilities required and the commitment he or she is making to the team.
3. Each member must be willing to cooperate with and be helpful to the coach or any person in charge.
4. Each member must realize the manner in which they conduct themselves while representing Cheer Eclipse or not, directly reflects on the entire gym.
5. Each member will be willing to work hard, take directions and strive for excellence.

### **Expectations**

1. Members will set and maintain the highest examples of behavior.
2. Members will maintain the proper appearance with no extremes in apparel, hair, make-up, piercing or tattoos.
3. MEMBERS WILL BE ON TIME TO ALL ACTIVITIES.
4. Members will do everything in their power to achieve personal and squad goals.
5. Each member is responsible for finding out any missed information.

### **Attitude**

1. Always keep a positive attitude.
2. Being a member of a competitive all-star team is **NOT** about self glorification and self promotion, but rather about being a TEAM player in whatever capacity is asked of you by the coaching staff.
3. The athlete should always exhibit a positive attitude and a willingness to participate respectfully
4. The attitude of the parent has a huge impact on the attitude and performance of a child. We have watched cheerleaders shut down because they have had too much parental pressure. Children listen to what their parents are saying and it affects their behavior. If you act disrespectfully toward a coach, cheerleader, or another parent your child will mirror the behavior. We welcome constructive criticism and want to address all of your concerns as a parent. However, we also believe that "Attitudes are contagious". Negative parents will not be tolerated. We would much rather surround ourselves and our athletes with positive minded people.
5. Good sportsmanship, polite manners, and a kind disposition are **MANDATORY** at all competitions. Cheer Eclipse prides itself on setting a high standard of behavior. Please help us continue in the endeavor.

## **Parent Responsibilities**

1. To make sure your son or daughter is on time and attends all practices/events.
2. Parents are to inform the office if the student is to be late or absent from practice. Never send information through someone else.
3. Parents are to encourage and support your athlete to be the best he/she can be.
4. Parents are to fulfill any financial obligations on time.
5. No one is allowed in the practice area other than the cheerleaders and the staff.
6. If you choose to remain during practice, you must stay in the parent observation area. No one is allowed to yell on to the floor or to speak to any team member or coach while practice is in session. This is extremely inappropriate & distracting to all involved.
7. NEVER speak to or about anyone else's child other than your own. Any negative behavior towards a Cheer Eclipse member, Cheer Eclipse gym, Cheer Eclipse staff or to another gym, via any medium will result in dismissal from the team.
8. The coaches have the right to close practice at any time.
9. Please remember that the Cheer Eclipse name and logo are trademarks of Cheer Eclipse. Sue must approve all designs bearing the Cheer Eclipse name and logo. Anything created without her approval will not be acceptable and cannot be worn or sold independently.
10. Parents are expected to support the coach's decisions, and encourage their child to work hard and be supportive of their team.

## **Attendance**

1. All practice sessions are mandatory.
2. Members must be on time to practice. Continual tardiness will be grounds for disciplinary action or dismissal.
3. All absences must be reported to the office by a parent. Do not rely on someone else to tell the coaches for you.
4. Continuous failure to be productive at practice is grounds for disciplinary action or dismissal.
5. If you are sick or injured you must still attend practice. You will not be required to fully participate. You will watch any changes that directly affect you or possibly be able to do some skills during practice.

## **Competitions**

1. Members are required to attend all competitions. This means through the Final awards ceremony. If parents are unable to stay for the whole competition other arrangements must be made so that the member can stay. The only exceptions are our Novice, Tiny & Mini Team members. They may check out after their awards ceremony. At some of the larger National Competitions there may be some exceptions to our schedule. Youth-Senior age athletes are required to ride the team buses to competitions. They will be allowed to be signed out after final awards if I have received a note giving permission to do so by the deadline before the competition. Athletes/chaperones are required to stay in Team hotels.

## **Safety**

1. Jeopardizing the safety of oneself or any other member is grounds for disciplinary action or dismissal.

2. There is absolutely no gum, candy, food or drinks allowed on the mats.
3. **No jewelry is to be worn during practice. No exceptions,**
4. **No one besides coaches are allowed to spot tumbling for a athlete.** It is dangerous and could result in serious injury.

## ***Cheer Eclipse*** ***AGREEMENT TO PARTICIPATE***

Participation in all sports and physical activities involves certain inherent risks and regardless of the care taken, it is impossible to ensure the safety of the participant. Cheerleading/gymnastics are activities that require considerable coordination, agility, and a high level of cardiovascular and muscular fitness. It involves vigorous activity for as long as an hour or more, many quick bursts of exertion, inversion and rotation of the body on the ground and in the air, and being alert to fast moving individuals in confined space. While it is a reasonably safe sport as long as safety guidelines are followed, some elements of risks cannot be eliminated from the activity.

A variety of injuries may occur to a cheerleading/gymnastics participant. Some examples of those injuries are:

1. Minor injuries such as scrapes, bruises, strains and sprains;
2. More serious injuries such as broken bones, cuts, concussions, and eye injuries (including loss of vision);
3. Catastrophic injuries such as heart attacks, paralysis, and death.

These, and other injuries, sometimes occur in cheerleading/gymnastics as a result of hazards or accidents such as slips, being struck by another individual, colliding with another individual, colliding with the wall or another object, falling from a piece of equipment or from a stunt, falling to the floor, or excessive stress placed on the cardiovascular system.

To help reduce the likelihood of injury to yourself or your son/daughter and to other participants, all participants are expected to follow all rules and regulations pertaining to conduct, behavior, safety, and activities established by Cheer Eclipse.

I or my son/daughter agree to follow all established and posted safety rules and all rules common to the sport of cheerleading/gymnastics. I or my son/daughter understand that I am responsible for his/her failure to abide by those rules and regulations. I or my son/daughter agree to report any unsafe practices, conditions, or equipment to the management.

I have read the preceding information and it has been explained to me. I know, understand, and appreciate the risks associated with participation in cheerleading/gymnastics and I am voluntarily participating in the activity.
