10 REASONS

VICTORY VIPERS IS THE BEST PLACE FOR YOUR CHILD TO DEVELOP THEIR LOVE FOR CHEER!

10. When your child becomes a part of this program - you are becoming a part of a cheer family where everyone knows your child's name, personality, and what she is working toward! We believe in getting to know EVERY child & our experienced, and loving staff will give them their very BEST! **When you're on a Victory Vipers Cheerleading Team your squad becomes your FAMILY!!!**
9. We are **UNIQUE** because our owner/founder works with EVERY team because she loves it - that is over 30 years of cheer and gymnastics coaching experience molding YOUR child!
8. The majority of our staff has grown up in our program and takes pride in Victory Vipers being a huge part of their childhood! We believe in having our most experienced coaches work with ALL ages & ability levels.
7. We believe in encouraging a healthy lifestyle of fitness and exercise at a young age.
6. We believe that busy kids will stay out of trouble & have less time for social media!
5. We believe in teaching kids to learn to work with others & accept each other's differences.
4. We believe in teaching kids to set goals, be respectful to all, and to work hard even when no one is watching.
3. We believe in creating a positive environment thru encouragement, kindness & positive affirmations.
2. We believe in limiting extra expenses so more kids can have the competitive cheer experience.
1. We believe athletes need to be dedicated but also well rounded and have time to be kids.
