

North Texas Tumble and Cheer Gym Policies effective June 1, 2012

Billing & Late Fee's

- Billing will occur on/around the 25th of each month for the following months charges. Payment is due by the 8th of the month, regardless of the date the bill is distributed, and a \$10 late fee will be assessed on the 9th of the month. For example, June charges will be billed on/around May 25th, are due on June 8th, and late as of June 9th.

Withdrawing from a Class

- If notified you are dropping a class before the 15th of the current month and effective the first day of the next month, there will be no charges.
- If notified you are dropping a class after the 15th of the current month and effective the first day of the next month, you will be charged an entire month.
- If withdrawing due to injury, the above do not apply as long as a doctor note is provided. We will not refund any fee's paid to the date of injury, but will credit your account for any remaining classes you have paid for after we are notified of the injury. Please note, a release from your doctor is required to return to classes.
- Examples: If notified on June 15th that you are dropping a class on July 1st, you will not be billed for the class in July. If notified on June 23rd that you are dropping a class on July 1st, you will be billed for July. If you have paid June fee's and an injury occurs on June 14th, you will receive a half month credit to your account as long as a note is provided from a doctor.

Absences & Make-Up Classes

- Non-summer (September to May): You are allowed to make-up 1 missed class per month, unless otherwise approved by management
- Summer (June to August): You are allowed unlimited make-up classes for missed classes.
