

WELCOME TO ODYSSEY CHEER COMPANY

Thank you for your interest in the Odyssey Cheer Company cheer program. The mission of our competitive cheer program is to train with integrity, respect, and build championship squads through team unity and individual commitment. Our goal is to encourage and instill confidence in our athletes, offer leadership opportunities and foster lifelong friendships and memories.

At Odyssey Cheer Company (OCC) we are committed to providing your athletes with the best coaching and skill building available so that they may have a successful future in cheerleading. In our team program, we value all our athletes regardless of age or skill level and want to foster love of the sport of cheerleading through consistent progress and achievement.

At Odyssey Cheer Company, we guide and mold our athletes into adults who will make a difference. In addition to top-flight competitive cheerleading opportunities, over the cheer year we participate in several outside activities to help our athletes grow as young people and recognize their achievements:

- **Philanthropy Project:** Each year the Odyssey Family will come together to support one or more local charities as our athletes learn the value of giving back to the community and helping those in need.
- **Annual Retreat:** Our annual weekend retreat is an optional event where Odyssey athletes participate in leadership, team building activities, and games with their odyssey Family. This event will take place on a weekend in September/October at an overnight camp facility.
- **Awards Banquet:** At the end of the cheer season, the Odyssey Family will come together for a banquet dinner that includes dancing, awards, and a celebration of the past year together.
- **Recognition:** We value the loyalty of our Odyssey Family, athletes are recognized at their 3rd, 5th, 7th and 10th year anniversaries. Additionally, graduating senior athletes will receive a \$100 scholarship for each full high school year they cheer at OCC.

If you have any questions about this packet, the tryout process, team assignments (All-Star, Prep, Novice and Show team), or anything else, including the facility or our staff, please feel free to ask any owner or staff member of OCC for help or assistance. Our office hours are 4pm to 8pm Monday through Thursday, and other times by appointment. You can reach us by phone 281-741-0531 or anytime at info@odysseycheer.com

EVALUATION INFORMATION

Athletes trying out are encouraged to attend team workout sessions (March 28 through April 21) before trying out. Contact the front desk dates for schedule and pricing information. Athletes will sign up for a private evaluation time to demonstrate jumps, tumbling, flying ability (if applicable) and a short dance combo April 27-29, 2022. The tryout material will be taught to the athletes **during the week of April 11th** and reviewed the week of April 18th in open workout groups. It will also be sent out via email on April 11th. Our team evaluations are as relaxed as possible, and each evaluation will conclude with a short interview to go over athlete goals for the upcoming season.

Try-out Attire: T-shirt or sports bra, spunks or shorts and lightweight tennis shoes or cheer shoes with hair pulled into a ponytail with a bow. Athletes are assigned tryout numbers during evaluation. Evaluations will be held April 27-29, 2022. If you cannot make it on this day, you can tryout during the preceding week by appointment.

Evaluation Procedures:

- 1) Schedule an evaluation time after 4/10/2022 with the front desk by calling 281-741-0531 OR request an evaluation time in your parent portal under the CAMPS/EVENTS TAB. Parent Portal Link: <https://app.iclasspro.com/parentportal/odysseycheerco>
- 2) Read through the 2022-2023 Cheer Contract Packet and program offerings/payment information sheets. All-star cheerleading is a SELECT sport and requires a large time and financial commitment. Please make sure you understand what you are committing to.
- 3) Turn in the 2022-2023 All-Star Registration Form, Parent & Athlete Rules Form and the Credit Card Authorization Form found in this evaluation packet. If this paperwork is not turned in your athlete will not be able to try out.
- 4) New athletes - turn in a photo and birth certificate. Returning athletes - turn in a current photo.
- 5) If you are not a current member, a \$55 non-refundable registration fee per athlete will apply.
- 6) Submit practice wear and practice bow payment on or before your evaluation time. \$200 plus tax for competitive teams & \$100 plus tax for Prep, Show team and Novice.

Odyssey Cheer Company will always do what is best for a team to grow and have success throughout the season. Athletes will be considered for teams based on age, level availability and level requirements. Please note that athlete maturity, dance ability and jumping skills are also taken into consideration during team evaluations. Skills **MUST** be consistent and demonstrate **STRONG** technique in order drive the future success of a team. If an athlete possesses exceptional strength in another area besides tumbling (ex: basing or flying), the athlete may be considered for a higher-level team. We are looking for well-rounded athletes with strong work ethic - simply having the necessary tumbling skills does not guarantee that a candidate will automatically make that level team.

KEY DATES: Monday, May 2, 2022 – Evaluation Results Emailed
Team Practices begin May 9, 2022

TEAM COMMITMENT

PRACTICE COMMITMENT:

- Prep Teams will practice 3 hours a week - One 2-hour session of team practice and 1 hour of team tumble/stunt practice. Additional tumbling/stunting classes will receive a 25% discount.

- Show team will practice 1.5 hours a week. Athletes wanting to enroll in tumbling classes will received a 25% monthly discount on tumbling tuition.

ABSENCE POLICY: Athletes and parents are expected to be able to manage school, family activities, and athletics during cheer season **without missing** practice. Athletes should plan their days and weeks to complete homework outside of cheer practice times. Missed practice sessions impact the entire team's stunts, formations, and tumbling sequences and cannot be fully executed.

Athletes are expected **to attend all** practices. We expect top priority and 100% commitment to attending every practice. Adhering to this policy allows us to keep extra practices to a minimum. We ask that school cheerleaders and parents request a school cheer/sport schedule in advance for the coaches as well as contact information for their school team coach.

During weeks before show-offs and regional competitions, and during the two weeks prior to all national events, there are **NO ALLOWED** absences, these will be BLACK OUT dates on the calendar. Missing a practice during these weeks may result in immediate dismissal from a team. The only excused absences are a mandatory graded school function. Non-related school activities are unexcused.

Odyssey Cheer allows a maximum of 4 absences May - August. ALL ABSENCES MUST BE SUBMITTED BY EMAIL TWO WEEKS PRIOR TO THE ABSENCE TO: INFO@ODYSSEYCHEER.COM and an approval or denial from Coach Dray will be returned by email.

Cheerleading is a team sport and requires everyone on the team to do their part. We understand that a quest for greatness is achieved with self-discipline and dedication. If you sign up for a school activity or sport, make sure it will not interfere with practices or competitions.

ILLNESS: Athletes with fever, vomiting, or diarrhea are asked to not attend practice. If an athlete is "not feeling well", they are still expected to attend practice, but sit out as needed to observe team activities. If your athlete is injured and cannot practice more than one practice session, please make sure you have seen a doctor and have a note stating the injury and the recovery period. We will need a doctor's release for any injured athlete to participate in practice and/or competitions. Even if an athlete is released, the athlete must be able to perform at the appropriate level to be incorporated back into the team practice. The athlete will be able to participate in practice/competition at the discretion of the coach.

During the school year, no more than two unexcused practice sessions will be allowed. Beginning January 2023, only one unexcused practice session will be allowed through the end of the season. In the case of severe illness, the day of an event, parents are expected to stay in contact with OCC staff and work with a doctor in order to make every attempt to help the child get better as soon as possible.
