

Welcome to Midwest Cheer Elite, Columbus

Hello and thank you for choosing Midwest Cheer Elite for the upcoming season. We are excited and grateful for the opportunity to serve you and your child. We are certain that you will be delighted with your decision to become "Elite".

First and foremost, know that one of the great things about joining a program of our size is that we have an appropriate placement for every child, regardless of his/her age and skill level. We will be sure that we assign them to a team that utilizes their full potential while maintaining their self-confidence and helps them grow as individuals while at the same time building highly successful teams.

*All placements are made based on AGE, SKILL LEVEL, LEADERSHIP ABILITY, COACHABILITY, SIZE, FLEXIBILITY and so much more. We put a great deal of thought, consideration, knowledge, and experience in the placement of our teams. We do our very best to ensure that each team is built to be successful. When reviewing your child's ability, keep in mind that cheerleading is a TEAM sport, not an individual sport, therefore, we put the success of the team and program first and foremost. Your child's participation at MCE will need to be based on the same foundation.

*MCE does not guarantee the formation of any particular age/level team for the upcoming season. We build our teams, fresh, every year, based on the athletes that come to our clinic & evaluation. You are joining to be a part of the MCE family, not a particular team.

*MCE decides on the role and/or position an athlete will have/play on their team (base, back, flyer, etc.).

*MCE can request that any athlete take extra classes or camps at any time to improve their skills.

*MCE can add, remove, suspend, or even dismiss an athlete for a period of time or indefinitely from the team or the entire program based on the criteria including but not limited to: attendance, conduct, skills, finances, parent conflict, etc.

CROSSOVERS (Participation in two teams):

1. Be in good financial standing
2. Be willing and able to fulfill all the responsibilities required by each team.
3. Be responsible for any additional fees that may incur beyond their first team.
4. Please be sure to mark your evaluation form if you are interested crossover.
