

Dear Cheer St. Louis Family,

With the growing concern of COVID-19, we have made the decision to close in person training at Cheer St. Louis. The safety of our athletes and staff is the first priority and this measure is necessary at this time. Cheer St. Louis will remain physically open through tonight, Thursday at 9pm. While this is a hard time for all, we are doing the best we can to still offer some training to your athletes. This is very new territory to us all, and we are pledging to make it the best experience for your kids possible.

If you are in a Flight School, Jumps and Flexibility or The Total Athlete Class, these will continue virtually starting Monday 3/23! We have changed the name of Flight School and Jump and Flexibility to be "Flight School/Jump Class". These classes will be effective for all athletes. You will need to download the Zoom Meeting Application and create a free account. When you log into the parent portal, you will see the link under the class. This link will take you to the virtual meeting with a live instructor. We have also added a variety of daytime options for these classes Tuesday-Thursday at 10am and 11am. We hope this assists in keeping your kids active and engaged while they are stuck at home. Visit your Cheer St. Louis parent portal to enroll in any or all of these classes. All current class policies will be in place.

All other tumbling, cheer and preschool classes will be eligible for make ups. Once it is safe to do so, we will expand our class offerings to make scheduling these make ups easy for you. Your make ups will not expire as long as your athlete is a member of CSTL.

Cheer St. Louis staff will also be going live on our CSTL Facebook page daily at 9am to offer free 30 minute videos on a variety of topics. Tune in for what's to come starting Monday!

As you know we are a small business and this situation is extreme, out of everyone's control and unexpected. While we do have plans in place for disaster situations, our most important asset is YOU and we need your help! We know this situation is affecting all of us and extracurriculars are a luxury for many. What can you do? The best thing is to STAY ENROLLED

for monthly classes as we are offering an incentive for those enrolled in any class for April a FREE CLASS credit of equal or lesser value will be posted to your account upon April tuition being paid in full. It can be used at any time over the summer. The duration of the free class will be a minimum of 4 weeks, up to the amount of time we are closed for physical training. If you are in a situation where this closure has financially affected your family and you are unable to take an April class, we totally understand. Help by being our virtual marketing! Share our Facebook posts, suggest to friends and family and leave us a positive Facebook review!

Thank you again for your continued support and we hope to see you all again very soon!

Karrie and Ricky Schulte and the Cheer St. Louis Staff
