Thank you for making the decision to become part of the Venom Family! In 2015 Cici and I wanted to open a gym that could provide a healthy competitive and challenging environment. It would motivate our athletes to strive towards the pursuit of excellence. Through our program they will learn to effectively and efficiently work together to overcome the eventual obstacles awaiting them. It should be understood that being a Venom Athlete is not a hobby. It is a commitment that requires great sacrifice and the willingness to put others before yourself. Athletes will be held accountable for maintaining their skills at a high performance level by training consistently in the gym with our coaches. We encourage all Venom Athletes to come in as often as they like to work out! Our entire staff is dedicated towards making your families time with us an amazing one. The experiences that we'll share this season will cultivate life long friendships, memories, and incredible moments will be made. Welcome to the family!

Practice and Placements

Once your child has been put on a team that best fits him/her, we will immediately start practices May 24th, 2023. There will be a total of 2-3 practices per week.

Please remember that your athletes team placement may not always be final until the end of the summer. Athletes who may or may not improve may result in us to placing them on a more appropriate team.

Venom Allstars teams perform skills **MASTERED** at practices. One of the main elements to our success each season is having **FULL ATTENDANCE** at practices. We will do our best to generate a schedule that will enable you to attend/do school activities as well as our Allstar Program. Work or other school sports are not an excuse to miss practice. In the event that a conflict with our program schedule comes up, all Venom athletes must be willing to put our gym first.

It is also the athletes responsibilities to make sure to always inform the coaches if you will be missing from practice at least (7) days prior, or if you are running late be sure to contact us.

Unfortunately Allstar Cheerleading may not be for everyone and it's always sad to see anyone not finish the season with us. Up til June we will allow members to depart the program with no further financial obligations. There will be no refund of any kind.

Social Media

Any pictures, videos, or posts in any way shape or form must not deface the values of our gym. If in the event that a picture, video, or post is in anyway offensive then we will have no choice but to take action immediately.

Be considerate to other people and what they upload to the Internet. Any Comments or Shares should always be respectful.

Know that our music, and routine are not to be uploaded to any social media outlet whatsoever until the end of our season.
