

## 2018-2019 FIVE STAR COMPETITIVE CHEER PROGRAM COSTS

Competitive cheerleading, while not as costly as some youth activities, can still be an expensive sport. Before you consider this or any program, please carefully consider the financial commitment involved.

We have a set monthly price that covers all expenses, except for uniform, bow, shoes, and makeup that any athlete would normally incur throughout the year. This price includes: tuition, competition fees, choreography camp, music, coaches expenses. This cost includes all practices and fees, whether practice is once a week or 5 times a week. This system makes planning much easier, as you will know exactly how much is due and when. There are also Sundays during the summer that we do not practice so that everyone has family time. There will be extra practices prior to competitions and also a 2-3 day choreography camp.

In addition to your monthly payment, \$150.00 is due in May with your paperwork, prior to the first practice, which will cover 1 set of practice wear (sports bra, shorts, tank/tee) and the USASF athlete fee.

\*\*This year everyone MUST have a valid credit card on file. Your monthly fee is due by the 1st of each month **June, 2018 thru April, 2019**, if payment is not made by the 10<sup>th</sup> of the month your credit card will be charged.
