CHEER FORCE ONE MISSION STATEMENT:

Cheer Force One is a family owned, Faith-based competitive cheerleading program determined to teach the value of team and the importance of family. We believe that the strength of our athletes is measured not only by their physical strength, but their mental and spiritual strength as well. Our goal is to instill the important values of friendship, teamwork, leadership, integrity, loyalty and discipline that will guide each athlete for a lifetime. We empower our athletes and strive to provide solid direction and inspiration to each athlete. While competing athletically at the highest level, we encourage our athletes to respect their opponents, coaches, officials and each other. We expect our athletes to demonstrate good sportsmanship and fair play. Our gym is staffed by experienced coaches and former athletes who understand what it means to be a competitive cheerleader and who serve as exceptional role models. We want to be your choice for all-star cheerleading and tumbling. We are here to build champions. Not just champions on the floor, but champions in life.

Each and every family is important to us and our program! You will not get lost in a crowd or feel like just another number. At Cheer Force One, not only are WE FAMILY, we have a place for every athlete that fits your wants in competitive cheer.

We would like to remind you of the importance of reading through this packet in its entirety. Enclosed is a list of expectations for both athletes and parents.

GENERAL TRYOUT INFORMATION:

At Cheer Force One, you try out for the CF1 program, not a specific team. Team placements will be determined on the following: Age, skill level, past commitment (if returning) and team availability. All teams at Cheer Force One are built based upon placing each team in a position to score as high as possible in competition. Each team must be able to stunt, jump, tumble, dance, etc. at a level that will enable them to maximize their scores. Please trust the CF1 staff to build teams that will be successful in the competition arena. Our focus is to build the strongest teams possible and to make sure each athlete is placed on a team where they can excel and grow as an athlete and have a positive experience. Being placed on a team where you are not an asset will not improve your athlete's skill level or help them progress in their

cheer career. There are many factors to designing winning teams. We appreciate your confidence in our knowledge, dedication and past experience.

The Cheer Force One staff is confident in the placement of our athletes. The best interest of our athletes comes first at CF1. If you have any concerns about the placement of your athlete, you may contact us **VIA EMAIL** and we will gladly speak or meet with you.

Cheer Force One will provide a practice atmosphere at team evaluations. Each athlete will be judged on the following skills: motions, jumps, standing tumbling, running tumbling, and stunting. Cheerleaders' skills will be assessed and they will be placed on a team accordingly. Team levels are determined by the skill level of the majority of the team.

Levels are decided by the coaching staff/owners and **MAY** change throughout the season. An athlete may be removed from and placed on a different team if deemed appropriate by the coaching staff/owners at any time throughout the season.

Cheer Force One may add athletes anytime during the season. Athletes that are added must meet the requirements needed to be placed on a team.

EVERY ATHLETE IS PLACED ON A TEAM!

FINANCIAL OBLIGATIONS

All Star cheerleading requires a substantial financial commitment from each family. The following cost expectations have been carefully put together as an estimate of costs for the 2018-2019 season. Please carefully consider the financial commitment you are making. Please note that the expenses do not include travel and lodging to out-of-town competitions. **ALL FEES ARE NON-REFUNDABLE.** All-Star tuition and fees are based on the entire season and at no times will the monthly tuition be prorated.

Monthly tuition is due each month on the 1st and considered late after the 15th. Monthly tuition will run from May 2018 through April 2019. All Star fees are due on the 15th of each month. (Depending upon which payment plan is chosen). It is the responsibility of the parents to stay on top of payments and not fall behind.

A CREDIT CARD WILL BE REQUIRED TO BE ON FILE. The card will not be automatically charged unless you set it up for auto draft. However, if your account becomes two months past due, an email will be sent out and your credit card will be charged for the past due balance. This INCLUDES any accounts that may be waiting on booster fundraising money to be applied. Please keep track of your fundraising events to keep account current.

LATE PAYMENT POLICY - If your account exceeds two months past due and your credit card fails to go through, your athlete will be asked to sit out until your account is up to date. If any athlete is removed due to failure to keep his/her account current, no refunds will be issued for any previously paid fees. (ie: All Star fees) If the athlete's account is rendered "current" at any point in the season after the athlete has been removed from the program, that athlete will be re-evaluated on skills and placed on a team based on the re-evaluation and team availability. There is no guarantee the athlete will regain the team/position on the team to which they were assigned prior to the removal.

Tuition paid after the 15th of the month will result in a \$25.00 late fee.

DISCOUNTS - Monthly tuition for families with multiple athletes will be discounted as follows: A \$25.00/month sibling discount will be awarded for the second child of an All Star team member. A

\$15.00/month sibling discount will be awarded for full season prep and tiny preteam members. No additional discounts apply to All Star fees.

ALL STAR RECRUITING - For every new recruit that a current All Star brings into the program, they receive a credit for one month's All-Star tuition (at the value of the new athlete's monthly tuition). New recruit must be new to our All Star program and not an athlete returning from past seasons. Ask for recruitment form.

INJURIES – There will be no refunds due to injuries. You will be responsible for continuing to pay monthly tuition during the period of injury and athletes need to attend all practices. If there is a long term injury, the athlete will be temporarily dismissed from the team and will not be required to attend and pay monthly tuition. This will be determined on a case by case basis.

CONFLICT OF INTEREST

At Cheer Force One we offer tumbling for levels 1-5. We DO NOT permit athletes to attend any other facility that are in direct competition with our facility. This includes tumbling classes, privates, stunting, open gym, etc. We also do not allow advertisement or representation for any other gym. This includes, but not limited to, wearing another gym's apparel and posts on social media. Failure to follow these rules will result in removal from our program. If you would like to attend private lessons, stunt classes, etc. at a non-direct competitive facility (such as a gymnastics facility without an All Star program, cheer clinics not associated with any competitive gym, etc), please discuss with a coach/owner prior to doing so.

ATTENDANCE POLICY

Athletes are expected to attend ALL practices, exhibitions, and competitions as a team. Our routines are coordinated around every team member. Therefore, one member's absence has a negative impact on all other team members. Be prepared to rearrange your schedule as needed; however, we will try to maintain a routine schedule in order for you to be able to make advance personal plans.

Two (2) excused absences are permitted over the summer to allow for summer family vacations. Please fill out the attached absence request form and return to your coaches at least two weeks prior (or sooner). The choreography camp schedule will be released as soon as possible (aiming for mid/late June 2018) and is mandatory (Level 2+ teams). Please schedule vacations around the choreo schedule if possible. The gym will be closed for summer break/4th of July Holiday 7/1/18-7/7/18.

There will be NO unexcused absences beginning Sept. 1, 2018. Unexcused absences may result in your athlete sitting out a competition or possible suspension or dismissal from the team. *Each situation will be handled at coaches/owners discretion.*

Excused absences:

- Major family emergency and/or death in family affecting the athlete directly.
- Contagious illness - *documented by physician or contagious stomach virus resulting in vomiting*
- School related functions that require a grade. *(with two-week notice)*
- Injury (long-term)

Excused absences with a TWO WEEK notice: (Form must be submitted and may or may not be permitted)

- Academic functions, school programs (the athlete must be actively participating in the event), school cheer, religious purposes

The following will not be accepted as an excusable absence:

- Birthday and/or birthday parties, concerts, etc.
- Non-contagious illness (stomachache, headache, cough)
- Other friend/family functions, family reunions, etc.

Every situation will be handled at coaches/owner's discretion.

COMMUNICATION:

Communication is vital in All Star Cheer. We utilize every form of communication as possible. Social media is a huge part of communication. We have a private informational FB page. Please search for our "Cheer Force One 411" private group and ask to become a member. Also each individual team will have their own private team page which will be set up after team placements. Watch 411 for information to get added to your team page. Also if you have Instagram and/or twitter be sure to follow us and encourage your child(ren) to do so if they have one. Email is the most widely used form of communication. Always feel free to email us. There is no such thing as a dumb question. If you have a question - ASK. We also update our website frequently so you can check class schedules, what new, booster news, etc. on the website as well. Our staff email is also on our website, so you can contact coaches via email to set up privates, etc. along with a coach's private lesson contact sheet.

If you ever have a problem with anything, please do not hesitate to contact us. We are here for YOU. With any concerns you have directly with your athlete, team, etc., DO NOT contact your coach(s) via phone call, text or FB messaging. Send an email to the gym office first and if necessary we will set up a meeting to discuss the issue with coach(s)/owners. Texting and FB messaging should NOT be a form to communicate issues/concerns with your coaches.

- During practice, all squad and routine decisions are left to the discretion of the coaches.
- NO GOSSIP about any other teams (All-Star or school), NO GOSSIP about a child on your team or another team. NO GOSSIP about coaches and staff. - No one is allowed to post CF1 all-star music, choreography, routines, stunts, etc. on any websites. This includes, but is not limited to, Facebook, YouTube, Instagram, Twitter etc. (with the exception of closed groups). After the competition season is over, you may share past videos.
- Any use of the CF1 logo needs to be approved prior to use.
- Anonymous emails/letters/texts/tweets, etc. will be ignored.
- Every year we go through losses and additions of team members. The dismissal/addition of a team member is solely the coach's and/or owner's decision.
- Anyone threatening to quit or to pull their child from a squad will be dismissed from the program *immediately*.
- Withholding a child from a practice or a competition should never be used as a form of punishment.
- It is the parent's responsibility to know what is going on with your squad. Check your emails, Facebook groups and the website regularly.
- Athletes should be able to handle school work and All Star practices. Homework is not an acceptable excuse for missing practice.
- Parents, relatives, friends and cheerleaders are *never* allowed to speak with competition officials or judges for any reason.
- Parents are *never* allowed to represent CF1 under any circumstances concerning accommodations, competitions or any other situation unless approved by owners.
- There will be no arguing or questioning of the coaching staff's decisions at competitions.
