# *Frequently Asked Questions*

## **What happens if a competition or gym activity is canceled due to Covid-19?**

If a competition or gym event cannot be postponed or rescheduled then the final competition payment will be reduced.

## **Will they have competitions this upcoming season?**

Yes! There will be competitions this upcoming season but they might be a different from what we are used to. All USASF sanctioned events will implement safety protocols by the CDC and county regulations.

## **Can I be guaranteed a stunt position, team or request a friend to be on the same team?**

All participants are treated individually based on skill set, age, ability, gym and team need. Stunting positions are based team on coaches discretion. Anyone can train as a base, backspot or flyer in flight school if they choose to improve in a position they are not placed in on a normal team basis. This doesn't guarantee a position but it does improve the participant overall contribution to the team.

## **When do you think we will start to compete?**

December/January instead of November is our target for the 2020-2021 season due to a later start. Full Year Prep & Elite competition fees will be reduced from previously posted costs.
