Our goal with each team is to “max out” the score sheet. Within the year, team placement may change due to a change in skill level or change in the team needs. In an effort to guarantee all teams are competition ready and competing at the appropriate level, the specific level that a team will compete may not be officially determined until a later time and may change during the season at the coach’s discretion.

ALL STAR CHEERLEADING DIVISION AND LEVELS

The following is a category break down of divisions in All-Star cheerleading per the United States All Star Federation (USASF):

Age as of August 31, 2018

Division Name	Athlete’s Age
Tiny	Age 3-6
Youth	Age 7-11
Junior	Ages 10-14
Senior	Age 12-17

Level	Standing Tumbling Requirements	Running Tumbling Requirements
1.1 Novice	No Tumbling Required	No Tumbling Required
2.1 Novice	No Tumbling Required	No Tumbling Required

**Half year will be limited to level 1.1-2.1prep pending overall squad skills in stunting and tumbling.

****Please note these are the minimum requirements listed above. The coaching staff has all final say on where athletes are placed****

Please keep in mind that we strongly consider an individual's work ethic and previous attendance records, which include schedule conflicts, injury and illnesses. We will consider former practices and performances for dependability. We will also be reviewing each individual's overall compliance to all of our rules and regulations throughout the previous year. As an athlete's skills progress and an athlete joins a higher level team, the demands on the athlete and the expectation of their commitment to the team increases. CALIFORNIA SPIRIT shall have the right to move an athlete to another level if the athlete's level of commitment or overall progress does not meet CALIFORNIA SPIRIT's standards.

***NEW* Athletes will receive a documented evaluation 1-2 times per season to track their progress as an individual athlete.**

ATHLETE COMMITMENT

Due to the nature of the sport, each athlete depends on their teammates to attend all practices. Because this is a team commitment, it is imperative that all athletes attend all scheduled practices.

The All Star Cheerleading season is half the year. The competitive season begins with Regionals in the February and wraps up with Nationals in April. October through April, all athletes will begin a revolutionary multi-discipline training program developed by CALIFORNIA SPIRIT'S staff focused on conditioning, basic skill drills, tumbling progression for cheerleaders, and technique for dancers. **The coaching staff will evaluate each athlete on the following criteria: Tumbling difficulty and form, athleticism, dance ability, showmanship, willingness to accept instruction, stunting positions, jump technique and overall attitude and commitment.**

PRACTICE

Practices are held by team level as follows:

Teams	# of Weekly Team Practices	Length of Team Practice	Tumbling Class	Total Weekly Commitment
Tiny	1	1 hour	-	1 hour
Youth	1	2 hours	-	2 hours

Junior	1	2 hours	-	2 hours
Senior	1	2 hours	-	2 hours

In order to support the acceleration of our athletes' skills, athletes are encouraged to supplement their All Star training by attending extra classes (i.e. Tumbling & Stretching). Classes are scheduled throughout the week, Monday through Thursday, and team members may attend additional sessions to accelerate their individual skill levels at a 10% discount from the per session price list. We do not anticipate a change in our practice schedule once the season begins, however; CALIFORNIA SPIRIT reserves the right to change the day or time of practices to accommodate gym availability. During the season CALIFORNIA SPIRIT may require additional practices depending on the team's preparedness for competition.

Athletes with an exceptional level of commitment who wish to participate in both All Star and school cheer/dance programs will have the opportunity to do both, as these sports require similar skill sets. CALIFORNIA SPIRIT expects top priority and 100% commitment and attendance, failure to do so reflects in competition performance. Failure to comply will result in disciplinary action up to and including termination with our program.

GYM RULES

Athletes must enter and exit the gym through the lobby entrance and may only proceed outside to the parking lot as transportation arrives. For their safety, athletes should not wait outside in the parking lot.

Athletes are to wait in the lobby until their coach calls for their class. At that time, they may enter the gym. Athletes are not allowed on the floor if their class is not in session. Athletes are not permitted on the training equipment without a coach providing direct supervision.

CALIFORNIA SPIRIT classes are closed until the last 10 minutes of class. Spectators are asked to wait in the lobby and may enter the gym and observe from the bleachers the last 10 minutes of class.

Chewing gum, food, and/or drinks are not allowed in the gym floor at any time. Please bring bottled water with you to class. Cell phones may be brought to the gym but must be turned off during class.

Athletes are responsible for their own belongings and are encouraged to take all items with them after each class. At the end of every evening unclaimed items will be placed in the Lost and Found box located in the lobby and donated to charity at the end of every month.

CALIFORNIA SPIRIT or its staff are not responsible for lost or stolen items. For the safety of all athletes, please do not interrupt the coach, address the athletes or cause a disruption to the class. You will be asked to leave the gym if your presence causes a distraction.

TEAM CONDUCT

CALIFORNIA SPIRIT Athletes Will:

- Abide by the safety guidelines set forth by the CALIFORNIA SPIRIT staff.
- ONLY WEAR CALIFORNIA SPIRIT CLOTHING to team practices.
- Report any condition which might inhibit performance and endanger themselves or another athlete to appropriate CALIFORNIA SPIRIT personnel immediately.
- Be supportive of all CALIFORNIA SPIRIT teams and display courtesy, maturity and a sportsmanlike and positive attitude toward all other teams.
- Be respectful of CALIFORNIA SPIRIT personnel, coaches and teammates and present a constructive and supportive outlook towards teamwork.
- Represent CALIFORNIA SPIRIT in a respectful and civil manner and follow the rules and policies set forth by coaches and CALIFORNIA SPIRIT staff.
- Refrain from participating in any illegal activity (i.e. use of drugs or alcohol). Participating in any illegal activity will result in automatic removal from the program.
- Strive to attain and maintain healthy habits and drink an appropriate amount of water on a daily basis for the athletes individual needs based on weight.
- Attend practices, competitions and all other required activities. Be prepared to participate by being properly attired.
- Be on time for practices, competitions and events.
- Due to the nature of the sport of competitive cheerleading, CALIFORNIA SPIRIT must take priority over other extracurricular activities (i.e. Clubs and Sports).
- Keep open lines of communication with CALIFORNIA SPIRIT coaches and staff by discussing questions by telephone, e-mail, or by appointment without disrupting any team's practice time.
- Athletes must place all belongings in the areas provided in the gym.
- Athletes are expected to listen carefully to instructions and not be disruptive during practices, competitions and events.
- Athletes will not use profanity while participating in practices, competitions and events.
- Athletes will not tumble, stunt or do any activity without a qualified CALIFORNIA SPIRIT staff member in the area supervising the skill being performed.

DISCIPLINE POLICY

Misconduct and attendance will be addressed by a verbal warning for the first offense, a written warning for the second offense and a possible removal from the team for a third offense. A parent/guardian conference will be held before an athlete is removed from a team. All written warnings will be documented and signed by CALIFORNIA SPIRIT staff, athlete and parents/guardians. Misconduct applies to both parents and athletes, any athlete and or parent who displays negative behavior towards California Spirit will not be tolerated. You will be asked to leave the program.

APPEARANCE

Practice: Proper practice attire should be worn to all practices. As part of the uniform package, athletes will receive practice clothing, which must be worn to every practice. Jeans, baggy, or loose fitting clothing of any type is prohibited. In addition, clothing of a provocative nature or with inappropriate language at the discretion of CALIFORNIA SPIRIT is prohibited. Hair should be pulled back into a HIGH ponytail on the crown of the head with BANGS CLIPPED BACK. No jewelry or piercings of any kind are allowed at practice or competitions. For safety purposes, nails must be kept clipped to the length of the finger. If an athlete is not appropriately dressed or prepared for a class the athlete may not be allowed to participate.

Competitions: At competition, hair will be worn in a high ponytail (at the crown), curly (curlers are to be left in) and secured by appropriate hair product (gel, hair spray). Required make-up will be included in the uniform package. CALIFORNIA SPIRIT staff determines final appearance guidelines. All athletes will be in FULL uniform for all awards ceremonies or may not be permitted to participate in the awards ceremony.

****A hair and make-up meeting will take place as our first competition approaches**

ATTENDANCE

All athletes should plan on being at the gym 5 minutes prior to the scheduled start of their practice. Besides causing distraction by arriving late, tardiness does not provide the athlete with sufficient time to complete the warm-up and conditioning period that is very important to the safety of the athlete. As such, athletes arriving late to practice might not be allowed to practice with the team. Our attendance policy is as follows:

October-December	2 unexcused absences
January-February	2 unexcused absences
March	1 unexcused absences

5 ABSENCES TOTAL

Due to the nature of the sport, each athlete depends on their teammates to attend all practices. Because it is a team sport, it is important that all athletes attend all scheduled practices. Any absences after your allotted absences will result in an automatic **\$25 "NO SHOW" fee**, which will be charged to your account, per occurrence. In addition any athlete who is late 15 minutes or later will be charged a **\$15 "TARDY" fee**, this will apply to practices and also to competitions.

Missing a competition(s) for any reason will result in an automatic \$250 fee, per occurrence.

Excused absences are the following: Contagious illnesses with a doctor's note, family emergencies, mandatory school functions resulting in a grade, and summer vacations planned prior to joining CSE.

We acknowledge that there may be extenuating circumstances to cause more absences than allowed. Under these circumstances, the following measure may be taken:

- Loss of position in the current routine.
- Restriction from participating in the next competition
- Removal from CALIFORNIA SPIRIT

Unexcused absences are the following (not limited to): School dances/activities, traffic, homework, feeling tired, and transportation.

CALIFORNIA SPIRIT respectfully requests that parent/guardians refrain from withholding practice as a means of punishment for outside disciplinary reasons.

INJURIES

We understand that sometimes we aren't at our best. Whether it's from an illness or from an injury we consider the safety of the athlete first as well as the team's safety. California Spirit wants all athletes to be healthy and able to compete however if you are not healthy then we have to ensure the overall safety and success of our teams.

- **ILLNESS/INJURIES-REGIONAL & LOCAL COMPETITIONS**

If you have a child that is ill/injured or sick they are still required to come to practice regardless if they are not feeling well, in a cast, etc. Practice is a vital time when we all work on skills and make changes to routines, if your child is not present then they fall behind and this can hinder the teams overall success. If you have a contagious illness then you are permitted to stay home and **MUST** bring a doctor's note to the following practice. We have implemented a policy below.

If you are ill/injured two weeks prior to a competition and cannot participate at practices at 100% because of that illness then you will not compete. An "Alternate" or a fill-in will take your athletes spot for that competition, as well as take all awards, gifts and or rewards given out by the competition, whoever competes the "day of" gets the items.

****ONCE THE INDIVIDUAL HAS FULL RECOVERED, HE OR SHE MAY OR MAY NOT BE CHOREOGRAPHED BACK INTO THE ROUTINE. COACHES HAVE DISCRETION IN REPLACING SUCH INDIVIDUALS FOR THE REST OF THE SEASON. ALL ATHLETES MUST CONTINUE TO PAY THEIR MONTHLY TUITION.**

CHOREOGRAPHY

Choreography is an important time for our athletes. This is the time when the athletes will learn their competition routines. Attendance is **MANDATORY**. The dates will be announced in October!

COMPETITIONS AND EXHIBITIONS

CALIFORNIA SPIRIT teams will travel locally, regionally, and nationally for competitions. The Prep, Half-year and Mini teams will not compete outside of Northern California.

Competitions or events may be added or deleted at the discretion of CALIFORNIA SPIRIT staff based on cancellation of a competition or event, or other unforeseen circumstance.

Parents/guardians will provide transportation to and from all competitions. Please note that coaches will not transport any athletes to and from competitions. Due to possible venue changes, the competition schedule is subject to change at any time during the season. If a change should occur, CALIFORNIA SPIRIT will notify the parent/guardian as soon as possible.

The All Star teams may perform at the following community events:

San Ramon Art & Wind Festival
St. Patrick's Dublin Parade

We may add additional community events and exhibition performances as the year progresses in order to provide our teams with valuable performance experience in front of crowds. Most of these events usually run from 10am-5pm. As each event grows closer, CALIFORNIA SPIRIT will address specific times for our teams' performance.

COMPETITION EXPECTATION AND RULES

Competitions are a fun and exciting time for our athletes. Our athletes work all season long in the hopes of winning National Titles. Competitions are competitions, they are not vacations. Please do not plan and or expect to be doing social activities during the actual competition dates. During competitions coaches have the right to call extra practices with little to last minute notice. All athletes must be in attendance and ready to attend whatever practices the coaches may call. It is not up for discussion and any parent or athlete not abiding by the rule will be removed from our program following the competition.

Any negative or derogatory comments made by an athlete or family members will be subject to removal from the program. This is a competitive program and "competition" should be the only focus of the athletes and the families. Parents and athletes are also required to watch all CSE teams perform unless otherwise noted.

SOCIAL ACTIVITIES

Throughout the year, the Parent Booster Club is encouraged to plan and facilitate social and civic-minded projects where the athletes can further bond and provide a community service.

CALIFORNIA SPIRIT has planned activities for all the All Star teams, including a Holiday Party, with a gift exchange and an End-of-Year Awards Banquet. These activities are planned to reinforce the CALIFORNIA SPIRIT family.

COMMUNICATION

Communication between the families of All Stars and the gym is very important. Without a regular system, the lines of communication fail and all things become confusing. Every family will receive information in the following ways:

E-mail: CALIFORNIA SPIRIT primarily communicates by email. Each family will be required to provide an e-mail address for information to be sent. Athlete's invoices, emergency notices, updates, and any changes to the program will be run through the e-mail system. It will be the responsibility of the All-Star and his or her family to check e-mails, as well as your spam emails, on a regular basis. It is very important that you provide an email address that is checked regularly for important and sometimes urgent emails.

REMIND Text: California Spirit uses the REMIND text application for gym, team and competition updates.

Meetings: Meetings will be held when necessary, throughout the course of the season. The meetings will happen during the athlete's practice and will always be held at CALIFORNIA SPIRIT. A parent or representative of each athlete is expected to come to these meetings.

Handouts/Athletes File: Occasionally handouts will be given directly to the athlete at the end of a practice. It is the athlete's responsibility to give these to his or her parents/guardians and it is the parents/guardians responsibility to ask if anything was handed out. The handouts provided to an athlete will also be sent through e-mail correspondence.

BOOSTERS

California Spirit recognizes parents/guardians may wish to join the non-profit booster organization as a means to support the team. CALIFORNIA SPIRIT is in support of the booster organization and thanks all parents/guardians, family members and friends for their commitment to the non-profit booster organization.

For the 2018-2019 season CALIFORNIA SPIRIT will implement volunteer parent committee's in the following areas (additional committees maybe added based on need):

- *Summer BBQ/End of Year Banquet
- *Fundraising
- *Winter Holiday Party
- *Team Achievement

Parent/Guardians are critical in ensuring that the athlete and their supporting friends and family meet the Team Conduct Expectations and Athlete Commitments. Positively promoting CALIFORNIA SPIRIT and all its teams and staff are among the most important things a supportive parent/guardian can do. Any parent/guardian behaving in an unsupportive manner may result in your athlete being removed from the program.

It is important to display good sportsmanship toward other teams at competitions, events, and at all CALIFORNIA SPIRIT activities. This keeps a positive outlook on athletes' progress and performances, our children learn by example.

BILLING

CALIFORNIA SPIRIT is set up on automatic credit card payments only. We do not accept cash or check payments. All athletes are required to have a Credit Card Authorization form on file authorizing automatic payments. We accept VISA, Master Card, and American Express Cards.

Our billing department provides monthly invoices on the 20th of each month to allow parents/guardians ample time to review their invoice prior to the 1st of the month. Tuition is required even if your monthly invoice does not reach you. Payment is charged to the credit card that we have on file on the 1st of each month.

If a credit card fails to process and payment is not made by the 5th of the month, a \$45 late fee will be added to your account. If for any reason a check is written and the check is returned by the bank, a \$45 fee will be added to your account. Timely payment is a requirement to be an athlete at CALIFORNIA SPIRIT. If two consecutive payments (including late fees) are missed, the athlete will be removed from their team.

All fees are non-refundable once a class has been attended. There are NO refunds or credits, for any reason, on tuition or any of the fees. Fees are paid out by the gym and are not refundable to the gym, therefore; they are not refundable to the member. We are unable to make exceptions to this policy. By agreeing to the CALIFORNIA SPIRIT All Star Membership Agreement/All Star Contract, parents/guardians understand that payments are due to CALIFORNIA SPIRIT even if the athlete is absent due to family commitment, illness, or injuries until a Class Drop form is received.

ALL STAR TEAM DROP

If, for any reason, should the athlete stop participating on a team(s) the parent/guardian must provide a 30 day written notice by completing a Class Drop form. **If for any reason you leave the program, or are asked to leave, your account will automatically be charged a termination fee of \$250.** Monthly tuition is quoted for the 2018-2019 competitive season. Once an athlete joins CALIFORNIA SPIRIT, the parent/guardian commits and agrees to compensate CALIFORNIA SPIRIT for the tuition for the entire season. Tuition is based on the season cost and divided equally into monthly payments. **(Please refer to you membership agreement*)**

CALIFORNIA SPIRIT does not pro-rate for the final month of participation on a team(s) or holidays that might fall within a final month. If the athlete needs to “opt out” of the season a fee will be charged to your account based on the remaining months left in the season

If a Class Drop form is not received the parent/guardian will continue to be responsible and billed for all tuition and late fees until a Class Drop form is received. No refunds or credits for tuition or fees are issued. Completing the Class Drop form is the only acceptable way to be removed from a team and the form must be received prior to the 1st of the month. Once the billing has been processed on the 1st of the month, no refunds or credits will be issued, even if the athlete did not attend the practice.

****In addition, any and all monies already paid are completely NON-REFUNDABLE****

Sibling Discount

First athlete’s tuition is billed at full price. Second athlete Tuition is billed at 20% discounted rate. All remaining siblings will receive a discounted rate. No other discounts will be applied in conjunction with the sibling discount and the discount will be applied by descending tuition rates.

This discount will not take effect until after a full month of tuition (regular price) has been paid. All recruited athletes must sign up and pay full priced tuition prior to receiving the discount. ARTICLE OF UNDERSTANDING

As a CALIFORNIA SPIRIT all-star parent/guardian, I understand the responsibility that my son/daughter is undertaking. I have read the 2018-2019 All-Star-handbook. My athlete and I understand the contract and its contents. I agree to support the CALIFORNIA SPIRIT All Star program and offer encouragement to my child's fulfillment of all their responsibilities. I agree to allow my child to participate in all the All Star activities and will be cooperative as possible in carrying them out. I understand that this program is a commitment. Furthermore, I will not use this program as a form of punishment for my child as I realize that this also punishes the team. I also realize that when I am on a function with the team, I too represent them and therefore must always act with class and responsibility. I also understand that the membership fee is due upon joining and again every year after as long as I belong to CALIFORNIA SPIRIT and understand that the fee does not correlate with the beginning of an All Star season. I understand that all tuition and fees are non-refundable and credits will not be issued
