

Blueprint All~Stars

Season IV Handbook

Heb.11:1

Dear Parents,

Our goal here at Blueprint All~Stars is to instill “Faith over FEAR” into every one of our athletes and dancers. We are here to help each child reach their highest potential in a positive atmosphere and to be encouraging and supportive in the growth process. This is an intensive sport that requires dedication from both the children and parents. It is imperative that the parents support their children and coaches in all aspects.

Every position on the team is important and together everyone achieves more!

The purpose of this team working agreement is to outline standardized expectations for the team, but not limited to, working relations and group structure among team members. As a coach and instructor, I expect each team member to improve and make progress in their skills and techniques through efficient practices, learning, pushing limits and working hard... but most importantly having fun. This agreement will address.

- Communication
- Responsibility
- Participation
- Leadership
- Sportsmanship
- Safety
- Parental Involvement
- Financial Obligations
- Guidelines

Communication

Communication between team members shall be through “Teams App”, text messaging, phone conversations and emails. Communication is a key component to keeping things running smoothly and is a two-way process. If there any questions, comments or concerns, contact a staff member directly. There are once a month team/parent meeting as needed. If a member cannot attend a meeting, they must communicate to the coach 24 hours prior to the meeting. Failure to communicate their absence will result in missed information.

Responsibility

Competitive cheerleading is a “team sport” and dance is “performing art” in the truest sense of the term. Members of the teams are expected to complete all tasks assigned to them by the due date. Difficult or unclear responsibilities must be voiced to other team members swiftly so that the task can be executed effectively. We respect and value our athlete’s educational pursuits and acknowledge

with extraordinary pride that we are training student-athletes/dancers, not athlete/dancer-students. While we do our best to work with our athletes' and dancers schedule and other extra-curricular activities it is important to realize that when an athlete is missing the entire team is negatively impacted. For our athletes and dancers who choose to participate in recreational, middle and high school sports, we do our best to accommodate the schedules required by your respective organization/school; however, your commitment to BPA must come first.

- Be ready at all practices, wearing proper shoes and clothes with your hair tied back.
- Arrive on time.
- Please turn off your cell phones before practice begins
- No gum, nail polish or jewelry.
- Attitudes must be positive and upbeat! You must always be willing to work and cooperate always.
- Do not bring your problems with you to practices, the key word in your position is cheer.
- Everyone must have a solid working knowledge of all cheer and dance routines.
- Be an active listener and accept constructive criticism.

Every athlete and dancer need to posse these 6 qualities walking into every practice

1. Focus
2. Team Work
3. Strength
4. Heart
5. Passion
6. Determination

*This way we can have Fun, Memories, Friendship and Unity as a team.

Participation

Our routines are created involving every Cheerleader and Dancer; Attendance at all practices is MANDATORY. Excused absences are contagious illness (with doctors note), family emergencies, and Death. Parents and or cheerleaders or dancer must notify their coach prior to the practice that they will be missing practice. Any cheerleader or dancer missing practice without notification may be subjected to removal from the BPA program. Team practices will be Twice a week. You will have 2 to 3 practice wear uniforms and they must be worn for the correct practices according to the schedule day. This will be given out by the coach.

Leadership

Leadership is strictly informal with a democratic debate system used for decision-making. A primary meeting facilitator will be assigned prior to each meeting. The facilitator will be responsible for compiling an agenda and directing the smooth flow of the meeting. Natural leadership will evolve

over time and this agreement shall be edited to accommodate such future logistical changes. Work ethics are crucial for all. It is expected that all cheerleaders will arrive to practice and events on time ready to cheer and willing to give your very best. Let your good character traits shine.

Sportsmanship

Sportsmanship and team unity are very important to our organization. Be courteous and considerate to all others. Don't speak negatively about any person, decision, or results. Parents and cheerleaders or dancers are to never call any competition company for any reasons. If a problem should occur at any competition, please let us know and we will take care of it. We expect to win or lose with grace and dignity. We expect all cheerleaders and parents to be respectful to all others at competitions. We thank all the parents in advance for helping to enforce these rules. We are excited for the chance to work with your children.

Safety

Please note that cheerleading is a highly competitive and dangerous sport. The stunts and tumbling could lead to injuries. These include but are not limited to:

- Bruises
- Pulled and strained muscles
- Torn or strained ligaments
- Broken bones, dislocation, or paralysis or even death

The coaches at Blueprint All-Stars take every precaution to limit these injuries. Unfortunately, we cannot prevent them all. In the event that your child is injured we will take necessary steps to ensure your child's well-being. Cheerleaders or dancers with injuries should attend team practices unless otherwise excused by the coach. A release from the doctor after a major injury is mandatory.

Parental Involvement

Volunteer Opportunities for parents available. Please speak to gym owner for more information. Fundraising is one chance that a parent can help. One parent from each team will be needed to lead for each fundraiser. Duties include assisting with selection, coordination, receiving and distribution of fundraising material. Fundraising is beneficial to the athletes or dancer, parents and the gym. Athletic fundraising is optional; however, team and gym fundraisers are required participation. Parents have an option to pay an "Opt. Out Fee" of \$50 per athlete in place of participation.
