Subject of Action Item C:
Farmer Mental Health Prioritization

Submitted by:
Commissioner Jewel Bronaugh, Virginia and Secretary Wes Ward, Arkansas

Text of Action Item:

NASDA encourages Congress to continue funding of the Farm and Ranch Stress Assistance Network. Continued and predictable funding is essential for states and stakeholders to build a meaningful network structure that is able to provide services to the populations who need them most. Further, NASDA encourages USDA to continue working with stakeholders and across federal agencies to find federal level support and solutions
