THE FARM BILL IS IMPORTANT TO...

HAWAII

Total Farms: 7,000
People Receiving SNAP Assistance per Month: 173,669
Total Farmed Acres: 1,120,000
Total Ag Exports in 2017: $121M
Total Conservation $: $11.1M
Universities Receiving Farm Bill Research $: 1
Specialty Crop Block Grants FY 2010-2017: $3.3M
Critical 2018 Farm Bill Preventive Programs*
- National impact of invasive species: $120B
- National impact of animal disease outbreak: $200B

*The 2018 Farm Bill must continue preventive programs such as the Plant Pest and Disease Management and Disaster Prevention Program (PPMPP). The upcoming farm bill must also establish a 3-tiered plan to prevent, identify, and mitigate animal disease outbreaks.
