THE FARM BILL IS IMPORTANT TO...

KANSAS

- Total Farms: 59,600
- Total Farmed Acres: 45,900,000
- People Receiving SNAP Assistance per Month: 246,179
- Total Ag Exports in 2017: $4B
- Total Conservation $: $43.0M
- Universities Receiving Farm Bill Research $: 8
- Specialty Crop Block Grants FY 2010-2017: $2.3M
- Critical 2018 Farm Bill Preventive Programs*
  - National impact of invasive species: $120B
  - National impact of animal disease outbreak: $200B

*The 2018 Farm Bill must continue preventive programs such as the Plant Pest and Disease Management and Disaster Prevention Program (PPDMDP). The upcoming farm bill must also establish a 3-tiered plan to prevent, identify, and mitigate animal disease outbreaks.
