Subject of Action Item G:
Guidance from USDA on 2018 Farm Bill Requirements for State and Tribal Hemp Plans

Submitted by:
Commissioner Bryan Hurlburt, Connecticut

Text of Action Item:
NASDA urges USDA to issue guidance documents as well as proposed regulations as soon as possible to:

- Address Interstate movement and documentation with hemp that will provide law enforcement with guidance on legality of shipment.
- Clarify criminal history check requirements to satisfy the Act.
- Clarify degree of specificity in legal description of land used to grow hemp to meet requirement of the Act.
- Establish a definitive sampling and THC testing methodology for uniformity, including defining “dry weight basis”.
- Request USDA to establish electronic data collection systems necessary to regulate hemp.
