**Subject of Action Item M:**

Successful Resolution of U.S.-China Trade Negotiations

**Submitted by:**

Director Steve Wellman, Nebraska

**Text of Action Item:**

As the U.S. and China continue negotiations on current trade challenges, NASDA urges the administration to pursue a resolution that includes restoration of market access for U.S. agricultural and food products. In addition, NASDA urges Chinese structural reforms to address nontariff barriers to trade and to create a more a more predictable, reliable and transparent biotechnology approval process.
