

iSolved | Go App – Quick Guide

The iSolved Go App for Apple and Android phones allows you to:

- ✓ Check Paystub
- ✓ Check W2
- ✓ Verify Timesheet
- ✓ View Timesheet
- ✓ *Does not require a verification code*

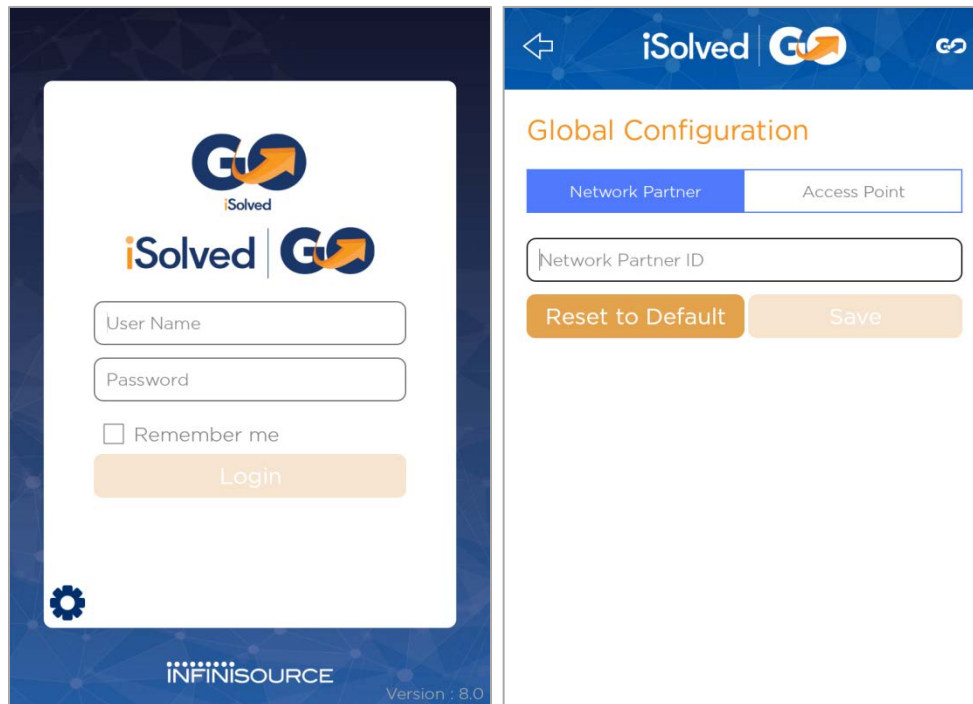

Downloading iSolved | Go from Google Play/Apple Store

1. On your Android/Apple smart phone, open the application store and use the search term “iSolved” to find the application
2. Select the option to install this application. Once you have downloaded and installed iSolved | Go, please open it to proceed.

Enabling iSolved Access with iSolved | Go

1. Select the icon in the bottom left portion of the login screen.
2. On the **Network Partner** tab, enter the following into the **Network Partner ID** field:
payrollnetwork
3. Click the **Save** button to save the configuration. This should only need to be configured the first time.

Logging into the iSolved | Go Application

1. Enter your iSolved user name in the **User Name** field. This is always your email address.
 2. Enter your iSolved password in the **Password** field.
 3. Click on the **Login** button to log into the application.
- *The user name entered here can be remembered by the application by checking the box next to **Remember Me**. Only the password will need to be entered to log into the iSolved | Go application.*

Note: If your phone uses a secured lock screen (with a PIN, pattern or fingerprint) the **Password** will be remembered as well.
