5/7/2018	Fire Door Solutions	Nashville	Davidson	Recruitment	170		Kansas-based Fire Door Solutions has opened a new office in Nashville, as it seeks to become a premier provider of compliance solutions for hospitals. The new office is part of the operations for a Fire Door Solutions subsidiary called Life Safety Compliance Solutions. It provides a one-stop-shop solution for hospitals struggling to comply with new Life Safety Code and Healthcare Facilities Code Requirements, enacted in 2016 by the Centers for Medicaid and Medicare Services. Fire Door Solutions was founded in 2011. The company brought in \$17 million in revenue in 2017 and now is backed by an investment of "tens of millions of dollars" from Emigrant Capital Corp. It hopes to grow to \$50 million and double its employment to about 170 people by mid-2019.	Corporate Operations	United States
5/11/2018	3-D Technology	Franklin	Williamson	Expansion	50		3-D Technology moved its headquarters to Franklin from Illinois in 2014 to be closer to its client base. At the time, the company had 45 employees and \$15 million in annual revenue. Today, 3-D Technology is forecasting 2018 revenue of close to four times that, with a workforce that has grown to 155 employees. The company plans to hire another 50 employees by year's end. The company is also set to open new offices in Las Vegas and Arizona this year to join existing offices in Florida, New York, Texas and Colorado. The growth has Martinez (CEO) forecasting annual revenue of \$250 million by the year 2022.	Corporate Operations	United States
5/15/2018	Vanderbilt University	Murfreesboro	Rutherford	Recruitment	64	37,500	Vanderbilt University Medical Center Pediatric Clinic and Ambulatory Surgery Center announced a new 37,500 square-foot location in Murfreesboro.
