As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Corporation's general counsel, bond counsel, economic development consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Corporation (whether or not first paid by the Corporation) with respect to the Application.

The annual service fee is subject to periodic review and may be adjusted from time to time in the discretion of the Corporation.
- (D) Subsequent Transactions - The Corporation fee for a bond issuance (whether “new money” or a refunding) that closes on or before the twelve (12) month anniversary of the closing of a prior issuance for the same Applicant(s) shall be two-tenths (2/10) of one percent (1%) of total project costs.
- (E) Refundings – The Corporation fee for a refunding that closes more than twelve (12) months after the issuance of the bonds being refunded shall be determined in accordance with subparagraphs (A), (B) and (C) above.

The Corporation's bond counsel fees and expenses are payable at closing and are based on the work performed in connection with the Project.

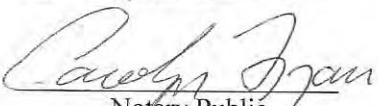

The Corporation's bond counsel's fees, general counsel fee and the administrative fees may be considered as a cost of the Project and included as part of any resultant financing, subject to compliance with applicable law.

Upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Corporation to the Applicant of the Corporation's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Corporation's general counsel, bond counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Corporation shall have used all of its available tax-exempt bond financing allocation, if applicable, from the State of New York and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Corporation shall have no liability or responsibility as a result of the inability of the Corporation to issue and deliver tax-exempt bonds for the benefit of the Applicant.
