# NATIONAL HISTORIC CHEESEMAKING CENTER

## P.O. Box 516 Monroe, Wisconsin

## "PAVE THE WAY" MEMORY WALK

**"Pave the Way" Memory Walk** is a continuous fundraiser for the National Historic Cheesemaking Center. Engraved bricks create a walkway from the parking lot to the entrance of the National Historic Cheesemaking Center and Green County Welcome Center.

Two sections have been created. The main walk is for friends and supporters of the Center and its partners. The triangular section beneath the front window is reserved for individuals who have or have had an affiliation with the cheesemaking industry.

The National Historic Cheesemaking Center serves as a shrine to the dairy and cheese industries preserving the history of **"…an era that was, that will never be again."** In addition to the historic preservation efforts, this organization manages the county-wide Welcome Center, where guests are welcomed to the area and provided with regional tourism information.

The officers, members, and volunteers of the National Historic Cheesemaking Center and the Green County Welcome Center thank you for your support.
