

## Certified in Public Health (CPH) Continuing Education (CE) MULTI-EVENT PROVIDER APPLICATION FORM

Individual organizations may apply to offer multiple CPH CE credits for a one-year period. There is a \$250 application fee per calendar year.

Providers must provide NBPHE with a detailed description of activity for which CPH professionals will receive CPH CE credits hours. Providers must agree that CPH CE credit hours activities are related to one of the domain areas of competency as are found in [CPH Content Outline](#).

Once approved, CPH CE Partners will be listed on the NBPHE website and in the CPH Recertification portal, where all CPHs can search for CE Partner events. You will also be given a username and password to the CE Partner portal, where you can list an unlimited amount of offerings.

Should a CPH need documentation to show participation in your activities or events, please be able to produce written notice of their attendance upon request. You do not need to produce certificates of completion for each CPH.
