RE: Authorization to file a joint claim on behalf of (name of your institution) with the Copyright Royalty Board for cable and/or satellite royalty fees.

Dear Ms. Kimmons:

I hereby authorize Squire Sanders (US) LLP, as counsel for the National Collegiate Athletic Association (NCAA), to file with the Copyright Royalty Board claims for cable and/or satellite royalty fees on behalf of (name of conference or institution). This claim is to be filed jointly with that of the NCAA. This authorization extends to claims to be made for five (5) years beginning with claims for calendar year 2013.

We will assist in the prosecution of our claim by providing information, in addition to preparing and executing such documents, as the NCAA may reasonably request.

I understand that other NCAA conferences and member institutions will be authorizing the NCAA to file joint claims on their behalves. I further understand that the funds recovered, as a result of the NCAA's efforts, will be distributed among the joint claimants on a pro-rata basis by event.

Sincerely,
