

**NCAA Sports Sponsorship and Demographic Report
Data Collection User Guide
- Institutions -
(Updated: April 2023)**

Introduction.

Official submission of the NCAA Sports Sponsorship and Demographic Report data is required of all NCAA member institutions and conferences and due not later than **5 p.m. Eastern time Friday, July 21, 2023.**

Eligibility for postseason events (i.e., championships) as well as revenue distribution will be compromised, and penalty fees may apply if you fail to submit the required information by the prescribed due date.

The Sports Sponsorship and Demographics Report is now combined with and is part of the NCAA Directory (like last year).

The 2023-24 Sports Sponsorship and Demographics data collection is now open.

- Submission deadline is July 21, 2023.
- [Instructions](#)
- [Frequently Asked Questions](#)
- Please email sportssponsorship with any questions regarding the completion of the form.
- Please be sure to verify your member schools' information.

Click [here](#) to access the report.

Note: Once your institution is opened in the NCAA Directory, if the above image is visible, you should have access to begin entering data for 2023-24 Sports Sponsorship. If you do not see this image, please contact your single-source sign-on administrator and ask for Sports Sponsorship access or send

The information submitted via this form is accessed by all departments at the NCAA national office including, but not limited to: championships to determine eligibility; finance for revenue distribution; academic and membership affairs for compliance and contact information; governance for compliance; and research for analysis. Accuracy of this information is very important.

Also, the NCAA Directory is where email contact information is retrieved for notifications via Salesforce. Therefore, it is very important that all email addresses are listed correctly.

ACCESSING THE NCAA SPORTS SPONSORSHIP AND DEMOGRAPHICS REPORT

Access to the NCAA Sports Sponsorship and Demographics Report is available through the NCAA Directory.

How to Log In:

1. Go to [NCAA.org](https://www.ncaa.org).

2. Click the "My Apps" link found in upper right corner on the homepage.
3. Enter email and password.
4. Click the "**Sign in**" button.

A link to the NCAA Directory will appear in the "My Apps" section of the website.

If this application does not appear, please contact your single-source sign-on administrator on campus or the athletics department to grant access to the NCAA Directory. Also, they will need to grant you access to Sports Sponsorship through the NCAA Directory application.

NAVIGATING THROUGH THE SYSTEM

Once you have clicked to access to the Sports Sponsorship and Demographics Report, you will see this menu page with the tabs listed to enter and submit the required data. When you select a tab, it will turn blue and open the page.

ABOUT

The "About" tab is for general institutional demographic information. There are several sections on that page to be opened and completed: Campus Information, Enrollment, Regional Accreditation, Tax Status, Religious Day Competition and Coaches/Consortium. Clicking on the arrow to the left of the name will open the section to enter the data.

Any time you enter or change the existing data within each section, you will be prompted to either save or undo the changes. Clicking the "down" arrows to the left will close the section.

Campus Information.

The information in this section is mostly pre-populated from information that is already in the NCAA Directory. Please review and make changes as needed. You will need to indicate if you are also a member of the National Association of Intercollegiate Athletics (NAIA); and/or the National Christian College Athletic Association (NCCAA). If you are a single-gender institution, please indicate so.

Enrollment.

Enter the **2022-23** full-time undergraduate baccalaureate degree-seeking students, broken out by gender. The four previous years' enrollment figures are there for informational/comparative purposes.

Regional Accreditation.

The information has been pre-populated based on previously submitted data. Please review to be sure the information is correct and update any accreditation dates as needed.

Tax Status.

Please answer the questions regarding your institution's tax classifications.

Religious Day Competition.

This page is to be completed if your institution has a policy against competition on specific days of the week.

Coaches/Consortium.

Please answer the questions on this page regarding coaches' certifications and if your institution is a member of an athletics consortium.

SPONSORED SPORTS

This tab displays all sports the institution indicated it sponsored last year and/or plans to sponsor in the upcoming year. Within each sport page, the user must enter data which will be used to determine whether the institution met its minimum sports-sponsorship requirements for the previous academic year and what the institution plans to sponsor next year, as well as report the sport specific ethnicity and head coach contact information.

Each sport listed is a link; by clicking the "Edit/Update" link to the right, the sport page will open where the user will enter the sponsorship data. A broken circle under the "Completion Status" column means the sport has yet to be updated. A red "warning" sign means there are errors that need to be fixed, and a green "checkmark" indicates the sport is complete. All sports in the list will need to be completed (with the green checkmark under the "Completion Status" column) prior to submitting the form. **Users should include all varsity sports in their "Sport List," not just those used to meet sports-sponsorship minimums.**

Click on the "edit/update" link for the sport in the "Sport List" in order to update information. Enter the number of countable contests for the previous year, the gender and ethnicity breakout of last year's coaches and student-athletes. If you have participant data in Compliance Assistance (CA), press the "Import from CA" button to import the data. If needed, the figures can be manually corrected/updated after importing.

The sport update section also will ask "Are you sponsoring [sport] in 2023-24?" If yes, the user will need to confirm sport conference and division. If the institution is dropping the sport for the upcoming year, the user will still need to update the participation count, number of countable contests for the previous year and the reason for dropping the sport. If the institution is adding a sport, for the upcoming year, the user will need to enter the conference and projected number of contests at the bottom of the page. When adding a sport, wait for the update page to open in order to enter the sponsorship data required. If a sport is added in error, it can be deleted by clicking on the "red trash can" icon.

If the sport list includes a sport that the institution planned to sponsor and did not meet minimum participant and/or countable contests or discontinued the sport for any reason, please indicate that on the form using the most appropriate reason from the drop-down menu. Verify and confirm head coach information or use the "Personnel Change Request" link to update the information. Please note that any change requests made through the NCAA Directory may take up to 48 hours to update on this form.

** Current Men's Tennis Head Coach **

Sports whose seasons were canceled due to COVID-19 should still be completed. For contests, enter zeros for number of contests and indicate that COVID-19 was the reason for not meeting minimums. For participant figures, please enter the number of participants who received athletics aid, practiced with the varsity team or received coaching from one or more varsity coaches or were on the roster/eligibility list as of the team's first scheduled practice.

If the sport was canceled due to COVID-19, please enter the participant figures for those who received athletics aid, practiced with the varsity team or received coaching from one or more varsity coaches, or were listed on the team's roster or eligibility list as of the first scheduled practice. For those teams whose seasons were canceled entirely due to COVID-19, please enter the figures for those who received athletics aid or were enrolled at your institution and intended to participate in the sport.

Complete the information on the head coaches as usual.

DIVERSITY

Enter the gender and ethnicity information for individuals who held the administrative titles for the **2022-23** academic year listed on this page. If an individual has more than one administrative responsibility, that person should be counted in each title they held; therefore, one person may be included in more than one title. Please do not include volunteers. If there was a personnel change during the year, report on the individual who currently holds the title. If the position is vacant, please report who used to be in the role.

FINANCIAL AID

This section is for Divisions I and II member institutions only. Please respond to the prompted questions regarding whether your institution met the financial aid minimum requirements per NCAA Division I Bylaw 20.10.3.2 or NCAA Division II Bylaw 20.10.2. You will also enter the financial aid equivalencies and/or dollar amounts awarded by sport to show how your institution met the minimum requirements. For Division I members, all institutional financial aid shall be used to meet minimums (Bylaw 20.10.3.2.1); for Division II members, only countable financial aid shall be used to meet minimums (Bylaw 20.10.2.1.1).

For institutions that use the Financial Aid tab in the NCAA Compliance Assistant system, you will be able to import your equivalency data from CA using the "Import from CA" button. If needed, the figures can be manually corrected/updated after importing. Financial aid dollar amounts will need to be manually entered.

While the system will perform an initial validation on the financial aid data, checking against the minimum requirements, a more thorough data validation check will be done after all schools have submitted their data. You will be contacted if there are any questions or issues on the financial aid data.

2022-23 Financial Aid

To maintain active Division I membership standing, a Division I institution shall satisfy the requirements of [Bylaw 20.10.3.2](#) (financial aid limitations -- minimum awards). Please indicate how your institution satisfied the requirements of [Bylaw 20.10.3.2](#) for the 2022-23 academic year by checking one box below. **An institution shall only use (a), (b) or (c) to satisfy the minimum financial aid requirements for active Division I membership and shall not combine portions of (a), (b) and (c).** See [Bylaw 20.10.3.2](#) for additional requirements in counting financial aid awards to satisfy the minimum requirement.

My institution is exempt from meeting the financial aid requirements:

Sport	Maximum Equivalency Limit	Equivalencies Awarded by Your Institution Import CA Data	Amount in Dollars All Institutional Financial Aid Awarded by Your Institution (Bylaw 20.10.3.2)
Baseball--MBA	11.7	11.7	
Field Hockey--WFH	12	10	4500000
Football--MFB	85	86.5	
Men's Basketball--MBB	13	12.7	1322887

Please Note: After making any entries into the above two columns, you must Save Changes (pop up window will appear under the chart).

Women's Volleyball--WVB	12	8	407,229
-------------------------	----	---	---------

Changes made!

Once data has been entered and saved, the system will automatically check a box.

Note: Your institution may have met minimums in more than one part; however, this form is only verifying minimums were met. Therefore, only one checkbox will be selected.

**** Caution **** After report submission, NCAA will be notified and the report will no longer be changeable.

☒ I certify that this report is complete and accurate to the best of my knowledge, and that I have reviewed the warnings above.

REPORTS

This page allows you to print off the current year report as well as reports from prior years. Please note that any changes or corrections requested by your institution after submission will affect prior year reports as they will display what is currently in the membership database/NCAA Directory for that year, not necessarily what was entered.

PAY DUES

Members have the opportunity to pay annual NCAA membership dues online. On this page you will see two options – the Pay Dues page will open directing the user to provide information to complete and submit payment to the NCAA. The Payment History page will show the prior year payment and date it was made.

Questions about this feature should be directed to Sharon Kincaid in the NCAA accounting department at skincaid@ncaa.org or 317-917-6481.

HELP

This page contains links to the instructions for completing the report, as well as a Frequently Asked Questions document. You will also see a reminders display, showing the various reports to be submitted throughout the year and their due dates. Please contact your divisional governance staff members with any questions on the reminders.
