ROLL-OVER

## STUDENT STATUS

### STUDENT RECORD INITIATED

Student records initiated before August 1, 2021 will show in the 2018-19, 2019-20 or 2020-21 year. The default year when submitting a student's record is August 1 - July 31.

### STUDENT RECORD STATUS

After the first day of class in the regular academic year (Fall 2021), the student record should be recorded as:

Matriculated

**MATRICULATED** - student transferred and attending class full-time in the regular academic year at an NCAA member institution. *This action is the responsibility of the institution where the student transferred to.*

Withdrawn

**WITHDRAWN** - student decided to not transfer and remain at the current institution. *This action is the responsibility of the institution where the student originally initiated the transfer portal record.*

Active

**ACTIVE** - student is not enrolled at any NCAA member institution. *Since the status is active, the student can continue to be contacted.*

### STUDENT RECORD SEARCH

Options are available in MY TRANSFERS and OTHER TRANSFERS to select a specific academic year.

Student records are visible in the academic year when the student's record was initiated (e.g., 2021-22). Students listed as ACTIVE in the selected year can continue to be contacted.
