STUDENT RECORD INITIATED

Student records initiated before August 1, 2022 will show in the 2018-19, 2019-20, 2020-21 or 2022-23 year. The default year when submitting a student's record is Aug 1 - July 31.

STUDENT RECORD STATUS

After the first day of class in the regular academic year (Fall 2022), the student record should be recorded as:

2018
2019
2020
2021
2022
2023

Matriculated

MATRICULATED - student transferred and attending class full-time in the regular academic year at an NCAA member institution. *This action is the responsibility of the institution where the student transferred to.*

2018
2019
2020
2021
2022
2023

Withdrawn

WITHDRAWN - student decided to not transfer and remain at the current institution. *This action is the responsibility of the institution where the student originally initiated the transfer portal record.*

2018
2019
2020
2021
2022
2023

Active

ACTIVE - student is not enrolled at any NCAA member institution. *Since the status is active, the student can continue to be contacted.*

STUDENT RECORD SEARCH

Options are available in MY TRANSFERS and OTHER TRANSFERS to select a specific academic year.

Student records are visible in the academic year when the student's record was initiated (e.g., 2022-23). Students listed as ACTIVE in the selected year can continue to be contacted.
