NCAA ID 2103T28781 not found!

STUDENT MUST REGISTER WITH THE NCAA ELIGIBILITY CENTER

 The NCAA ID cannot be created for the student entry in the transfer portal by anyone but the student. The student must register with the NCAA Eligibility Center to receive an NCAA ID by registering for a certification account or profile account. A registration fee is required for a certification account. The profile account does not require a fee. If an NCAA ID is created by a member institution, it will include a letter within the ID. This is not the acceptable 10 digit NCAA ID for transfer portal entry.

Ok, I got it!
