

NCAA TRANSFER PORTAL ENHANCEMENTS

Although an enhancement may be included on this list, it may not be a feature in the next version due to the complexity.

DIVISION I NOTIFICATION OF TRANSFER / DIVISION II PERMISSION TO CONTACT

Print option for the notification of transfer / permission to contact

Identify if the student-athlete is transferring to be a graduate student (identifier will appear next to student-athlete name on the other transfers list to show the student as a graduate student)

Identify if the student-athlete is receiving athletics aid (identifier will appear next to student-athlete name on the other transfers list to show students on athletics aid)

Add a text box for Division II permission to contact restrictions

Additional drop-down list for the sport the student-athlete wants to participate at another institution if not the sport the student is currently participating in

MY TRANSFERS

Add Search / Filter

Limit view of My Transfers to institutional staff with edit privileges

OTHER TRANSFERS

Current academic year is the default with selection to view previous academic years from a drop-down list (e.g., 2018-19)

Option to export transfer list to excel and pdf

Allow the filtered list to return to the same filtered list after reviewing a student's tracer

Add institutional contact name, email, phone and include a direct email to the institutional contact to ask questions

Search by last name, first name instead of full name

Add subdivision (FBS and FCS) in the football search

Add the Other Transfers view for the conference office

TRANSFER WATCH LIST

Integrate each coaches transfer watch list into an institutional watch list for the compliance office

Option to add a student-athlete to the transfer watch list from the transfer tracer view

TRANSFER TRACER

Add a next and back button on the transfer tracer sections

Add a confirmation for an institution to mark that the transfer tracer has been finalized allowing the matriculated button to then be active for another institution

Add an additional comments section to the tracer

Print tracer as pdf on continuous page

General Information

Additional question - Was the student-athlete recruited?

Eligibility

Additional question for the graduate student - Did your institution renew the student-athlete's athletic aid for the following academic year?

Participation

List sports as drop-down box

List term as a drop-down box

Add a comment field for participation

Include participation at previous institution(s) and current institution separately

Exceptions

Add "yes with restrictions" to the one-time transfer exception

Update the language for the disciplinary suspension question to mirror the language in the NCAA Bylaw

MATRICULATED

Matriculated button not active until the transfer tracer is final

Matriculated institution's name appears under the matriculated date

Matriculated institution answers a question if the student-athlete is enrolled full-time
