IMPORTANT TO KNOW!

- ✓ The transfer tracer is a tool for institutions to share a student-athlete's academic and athletic history to determine the student-athlete's eligibility status.
- ✓ The transfer tracer can be completed by the compliance office at anytime or if requested by another institution.
- ✓ The student-athlete's information can be updated and saved independently (by question or section) without completing the full transfer tracer.
- ✓ The transfer tracer is not verified through the transfer portal. It is the institution's responsibility to verify any information and/or seek more clarification.
